Item 1.01. Entry into a Material Definitive Agreement.

On September 29, 2010, Graphic Packaging International, Inc. ("GPI"), a wholly-owned subsidiary of Graphic Packaging Holding Company ("GPHC"), completed the issuance and sale of \$250 million aggregate principal amount of its 7 7/8% senior notes due 2018 (the "Senior Notes") in a previously announced registered public offering.

Indenture

The Senior Notes were issued pursuant to the Indenture, dated as of September 29, 2010, by and among GPI, the guarantors listed therein (including GPHC) and U.S. Bank National Association, as Trustee. The Indenture provides that interest on the Senior Notes is payable semiannually in cash on April 1 and October 1 of each year, and the Senior Notes mature on October 1, 2018.

Under the Indenture, GPI has the right to redeem the Senior Notes, in whole or in part, at any time on or after October 1, 2014 initially at 103.938% of their principal amount, plus accrued interest to the redemption date, declining ratably to 100% of their principal amount, plus accrued interest to the redemption date, on or after October 1, 2016. Pursuant to the Indenture, at any time prior to October 1, 2014, GPI also has the right to redeem the Senior Notes, in whole or in part, at a redemption price equal to 100% of their principal amount plus a make-whole premium as provided in the Indenture, together with accrued and unpaid interest to the redemption date. In addition, prior to October 1, 2013, GPI has the right to redeem up to 35% of the aggregate principal amount of outstanding Senior Notes with the proceeds from sales of certain kinds of capital stock at a redemption price equal to 107.875% of their principal amount, plus accrued interest to the redemption date. GPI may make such redemption only if, after any such redemption, at least 65% of the aggregate principal amount of Senior Notes originally issued under the Indenture (including any additional Senior Notes) remains outstanding.

The Indenture contains certain covenants that, among other things, limit GPI's ability and the ability of its restricted subsidiaries to incur additional indebtedness, make certain dividends, redeem stock or make other distributions, make certain investments, create liens, transfer or sell assets, merge or consolidate, and enter into transactions with GPI's affiliates. Such covenants are subject to a number of important exceptions and qualifications set forth in the Indenture. The Indenture also contains certain customary events of default, including failure to make payments in respect of the principal amount of the Senior Notes, failure to make payments of interest on the Senior Notes when due and payable, failure to comply with certain covenants and agreements and certain events of bankruptcy or insolvency.

An event of default under the Indenture will allow the Trustee or the holders of at least a majority in principal amount of the then outstanding Senior Notes to declare the principal of and accrued but unpaid interest on all Senior Notes due and payable, or in the case of events of default involving bankruptcy, insolvency or reorganization of GPI, such principal and accrued interest on all Senior Notes will become immediately due and payable without action from the trustee or any holder.

The foregoing description of the Indenture does not purport to be complete and is qualified in its entirety by reference to the full text of the Indenture, which is attached as Exhibit 4.1 to this Current Report on Form 8-K and incorporated by reference herein.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth under the caption "Indenture" in Item 1.01 above is incorporated by reference into this Item 2.03.

Item 8.01. Other Events.

On September 29, 2010, in connection with its previously announced cash tender offer to purchase up to \$250 million aggregate principal amount of its outstanding 9.50% senior subordinated notes due August 2013 (the "2013 Notes"), GPI issued a press release announcing that, as of 5:01 p.m., New York City time, on September 28, 2010, \$209.8 million aggregate principal amount, or 64.9%, of the 2013 Notes have been validly tendered and not

validly withdrawn. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

The Company is filing this Current Report on Form 8-K to file with the Securities and Exchange Commission certain items related to the offering of the Senior Notes that are to be incorporated by reference into its Registration Statement on Form S-3 (Registration No. 333-166324).

(3) if since the beginning of such period the Company or any Restricted Subsidiary shall have disposed of any company, any business or any group of assets constituting an operating unit of a business (any such disposition, a “Sale”), the Consolidated EBITDA for such period shall be reduced by an amount equal to the Consolidated EBITDA (if positive) attributable to the assets that are the subject of such Sale for such period or increased by an amount equal to the Consolidated EBITDA (if negative) attributable thereto for such period and Consolidated Interest Expense for such period shall be reduced by an amount equal to (A) the Consolidated Interest Expense attributable to any Indebtedness of the Company or any Restricted Subsidiary repaid, repurchased, redeemed, defeased or otherwise acquired, retired or discharged with respect to the Company

If any Indebtedness bears a floating rate of interest and is being given *pro forma* effect, the interest expense on such Indebtedness shall be calculated as if the rate in effect on the date of determination had been the applicable rate for the entire period (taking into account any Interest Rate Agreement applicable to such Indebtedness). If any Indebtedness bears, at the option of the Company or a Restricted Subsidiary, a rate of interest based on a prime or similar rate, a eurocurrency interbank offered rate or other fixed or floating rate, and such Indebtedness is being given *pro forma* effect, the interest expense on such Indebtedness shall be calculated by applying such optional rate as the Company or such Restricted Subsidiary may designate. If any Indebtedness that is being given *pro forma* effect was Incurred under a revolving credit facility, the interest expense on such Indebtedness shall be computed based upon the average daily balance of such Indebtedness during the applicable period. - (2) “or” is not exclusive;

- (3) all accounting terms not otherwise defined herein have the meanings assigned to them in accordance with GAAP;
- (4) the words “herein,” “hereof” and “hereunder” and other words of similar import refer to this Indenture as a whole and not to any particular Article, Section or other subdivision;
- (5) all references to “\$” or “dollars” shall refer to the lawful currency of the United States of America;
- (6) the words “include,” “included” and “including,” as used herein, shall be deemed in each case to be followed by the phrase “without limitation,” if not expressly followed by such phrase or the phrase “but not limited to”;
- (7) words in the singular include the plural, and words in the plural include the singular; and
- (8) any reference to a Section or Article refers to such Section or Article of this Indenture.

Section 104. Incorporation by Reference of TIA. Whenever this Indenture refers to a provision of the TIA, the provision is incorporated by reference in and made a part of this Indenture. This Indenture is subject to the mandatory provisions of the TIA, which are incorporated by reference in and made a part of this Indenture. Any terms incorporated by reference in this Indenture that are defined by the TIA, defined by any TIA reference to another statute or defined by SEC rule under the TIA, have the meanings so assigned to them therein. The following TIA terms have the following meanings:

“indenture securities” means the Notes.

“indenture security holder” means a Holder.

“indenture to be qualified” means this Indenture.

“indenture trustee” or “institutional trustee” means the Trustee.

“obligor” on the indenture securities means the Company, any other Note Guarantor, and any other obligor on the indenture securities.

Section 105. Conflict with TIA. If any provision hereof limits, qualifies or conflicts with a provision of the TIA that is required under the TIA to be a part of and govern this Indenture, the latter provision shall control. If any provision of this Indenture modifies or excludes any provision of the TIA that may be so modified or excluded, the latter provision shall be deemed (i) to apply to this Indenture as so modified or (ii) to be excluded, as the case may be.

Section 106. Compliance Certificates and Opinions. Upon any application or request by the Company or by any other obligor upon the Notes (including any Note Guarantor), to the Trustee to take any action under any provision of this Indenture, the Company or such

other obligor (including any Note Guarantor), as the case may be, shall furnish to the Trustee such certificates and opinions as may be required under the TIA. Each such certificate or opinion shall be given in the form of one or more Officer's Certificates, if to be given by an Officer, or an Opinion of Counsel, if to be given by counsel, and shall comply with the requirements of the TIA and any other requirements set forth in this Indenture. Notwithstanding the foregoing, in the case of any such request or application as to which the furnishing of any Officer's Certificate or Opinion of Counsel is specifically required by any provision of this Indenture relating to such particular request or application, no additional certificate or opinion need be furnished.

Every certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture (except for certificates provided for in Section 406) shall include:

- (4) a statement as to whether, in the opinion of such individual, such condition or covenant has been complied with.

Section 107. Form of Documents Delivered to Trustee In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an Officer may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such Officer knows that the certificate or opinion or representations with respect to the matters upon which his certificate or opinion is based are erroneous. Any such certificate or opinion of counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an Officer or Officers to the effect that the information with respect to such factual matters is in the possession of the Company, unless such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Section 108. Acts of Holders; Record Dates.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee, and, where it is hereby expressly required, to the Company, as the case may be. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and (subject to Section 701) conclusive in favor of the Trustee, the Company and any other obligor upon the Notes, if made in the manner provided in this Section 108.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by the certificate of any notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof. Where such execution is by an officer of a corporation or a member of a partnership or other entity, on behalf of such corporation or partnership or other entity, such certificate or affidavit shall also constitute sufficient proof of such Person's authority. The fact and date of the execution of any such instrument or writing, or the authority of the person executing the same, may also be proved in any other manner that the Trustee deems sufficient.

(c) The ownership of Notes shall be proved by the Note Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Note shall bind the Holder of every Note issued upon the transfer thereof or in exchange therefor or in lieu thereof, in respect of anything done or suffered to be done by the Trustee, the Company or any other obligor upon the Notes in reliance thereon, whether or not notation of such action is made upon such Note.

(e) (i) The Company may set any day as a record date for the purpose of determining the Holders of Outstanding Notes entitled to give, make or take any request, demand, authorization, direction, notice, consent, waiver or other action provided or permitted by this Indenture to be given, made or taken by Holders of Notes, *provided* that the Company may not set a record date for, and the provisions of this paragraph shall not apply with respect to, the giving or making of any notice, declaration, request or direction referred to in the next paragraph. If any record date is set pursuant to this paragraph, the Holders of Outstanding Notes on such record date (or their duly designated proxies), and no other Holders, shall be entitled to take the relevant action, whether or not such Persons remain Holders after such record date; *provided* that no such action shall be effective hereunder unless taken on or prior to the applicable Expiration Date by Holders of the requisite principal amount of Outstanding Notes on such record date. Nothing in this paragraph shall be construed to prevent the Company from setting a new record date for any action for which a record date has previously been set pursuant to this paragraph (whereupon the record date previously set shall automatically and with no action by any Person

be cancelled and of no effect), and nothing in this paragraph shall be construed to render ineffective any action taken by Holders of the requisite principal amount of Outstanding Notes on the date such action is taken. Promptly after any record date is set pursuant to this paragraph, the Company, at its expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Trustee in writing and to each Holder of Notes in the manner set forth in Section 110.

(ii) The Trustee may set any day as a record date for the purpose of determining the Holders of Outstanding Notes entitled to join in the giving or making of (A) any Notice of Default, (B) any declaration of acceleration referred to in Section 602, (C) any request to institute proceedings referred to in Section 607(ii) or (D) any direction referred to in Section 612, in each case with respect to Notes. If any record date is set pursuant to this paragraph, the Holders of Outstanding Notes on such record date, and no other Holders, shall be entitled to join in such notice, declaration, request or direction, whether or not such Holders remain Holders after such record date; *provided* that no such action shall be effective hereunder unless taken on or prior to the applicable Expiration Date by Holders of the requisite principal amount of Outstanding Notes on such record date. Nothing in this paragraph shall be construed to prevent the Trustee from setting a new record date for any action for which a record date has previously been set pursuant to this paragraph (whereupon the record date previously set shall automatically and with no action by any Person be cancelled and of no effect), and nothing in this paragraph shall be construed to render ineffective any action taken by Holders of the requisite principal amount of Outstanding Notes on the date such action is taken. Promptly after any record date is set pursuant to this paragraph, the Trustee, at the Company's expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Company in writing and to each Holder of Notes in the manner set forth in Section 110.

(iii) With respect to any record date set pursuant to this Section 108, the party hereto that sets such record dates may designate any day as the "Expiration Date" and from time to time may change the Expiration Date to any earlier or later day; *provided* that no such change shall be effective unless notice of the proposed new Expiration Date is given to the Company or the Trustee, whichever such party is not setting a record date pursuant to this Section 108(e) in writing, and to each Holder of Notes in the manner set forth in Section 110, on or prior to the existing Expiration Date. If an Expiration Date is not designated with respect to any record date set pursuant to this Section 108, the party hereto that set such record date shall be deemed to have initially designated the 180th day after such record date as the Expiration Date with respect thereto, subject to its right to change the Expiration Date as provided in this paragraph. Notwithstanding the foregoing, no Expiration Date shall be later than the 180th day after the applicable record date.

(iv) Without limiting the foregoing, a Holder entitled hereunder to take any action hereunder with regard to any particular Note may do so with regard to all or any part of the principal amount of such Note or by one or more duly appointed agents each of which may do so pursuant to such appointment with regard to all or any part of such principal amount,

Section 109. Notices, etc., to Trustee and Company. Any request, demand, authorization, direction, notice, consent, waiver or Act of Holders or other document provided or permitted by this Indenture to be made upon, given or furnished to, or filed with,

(1) the Trustee by any Holder or by the Company or by any other obligor upon the Notes shall be sufficient for every purpose hereunder if made, given, furnished or filed in writing to or with the Trustee at EX-GA-ATPT, 1349 W. Peachtree Street, NW, Two Midtown Plaza, Suite 1050, Atlanta, GA 30309 Attention: Muriel Shaw (telephone: (404) 898-8822; telecopier: (404) 898-8844) or at any other address furnished in writing to the Company by the Trustee, or

Howard, Esq. (telephone: (404) 881-7000; telecopier: (404) 881-7777), or at any other address previously furnished in writing to the Trustee by the Company.

Section 110. Notices to Holders; Waiver. Where this Indenture provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, to each Holder affected by such event, at such Holder's address as it appears in the Note Register, not later than the latest date, and not earlier than the earliest date, prescribed for the giving of such notice. In any case where notice to Holders is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

In case, by reason of the suspension of regular mail service, or by reason of any other cause, it shall be impossible to mail notice of any event as required by any provision of this Indenture, then such notification as shall be made with the approval of the Trustee (such approval not to be unreasonably withheld) shall constitute a sufficient notification for every purpose hereunder.

Section 112. Successors and Assigns. All covenants and agreements in this Indenture by the Company shall bind its respective successors and assigns, whether so expressed or not.

Section 116. Legal Holidays. In any case where any Interest Payment Date, Redemption Date or Stated Maturity of any Note shall not be a Business Day at any Place of Payment, then (notwithstanding any other provision of this Indenture or of the Notes) payment of interest or principal and premium (if any) need not be made at such Place of Payment on such date, but may be made on the next succeeding Business Day at such Place of Payment with the same force and effect as if made on the Interest Payment Date or Redemption Date, or at the Stated Maturity.

Section 117. No Personal Liability of Directors, Officers, Employees, Incorporators and Stockholders. No director, officer, employee, incorporator or stockholder, as such, of the Company, any Note Guarantor or any Subsidiary of any thereof shall have any liability for any obligation of the Company or any Note Guarantor under this Indenture, the Notes or any Note Guarantee, or for any claim based on, in respect of, or by reason of, any such obligation or its creation. Each Holder, by accepting the Notes, waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

Notes bearing the manual or facsimile signature of an individual who was at any time a proper Officer of the Company shall bind the Company, notwithstanding that such

individual has ceased to hold such office prior to the authentication and delivery of such Notes or did not hold such office at the date of such Notes.

At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Notes executed by the Company to the Trustee for authentication; and the Trustee shall authenticate and deliver (i) Notes for original issue in the aggregate principal amount not to exceed \$250.0 million and (ii) Additional Notes in one or more series from time to time for original issue in aggregate principal amounts specified by the Company upon a written order of the Company in the form of an Officer's Certificate of the Company (an "Authentication Order"). Such Officer's Certificate shall specify the amount of Notes to be authenticated and the date on which the Notes are to be authenticated, whether the notes are to be Notes or Additional Notes and such other information as the Company may include or the Trustee may reasonably request.

All Notes shall be dated the date of their authentication.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Note a certificate of authentication substantially in the form provided for herein, executed by the Trustee by manual signature, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

Section 304. Temporary Notes. Until definitive Notes are ready for delivery, the Company may prepare and, upon receipt of an Authentication Order the Trustee shall authenticate, temporary Notes. Temporary Notes shall be substantially in the form of definitive Notes but may have variations that the Company considers appropriate for temporary Notes. If temporary Notes are issued, the Company will cause definitive Notes to be prepared without unreasonable delay. After the preparation of definitive Notes, the temporary Notes shall be exchangeable for definitive Notes upon surrender of the temporary Notes at the office or agency of the Company in a Place of Payment, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Notes the Company shall execute and upon receipt of an Authentication Order the Trustee shall authenticate and deliver in exchange therefor a like principal amount of definitive Notes of authorized denominations. Until so exchanged the temporary Notes shall in all respects be entitled to the same benefits under this Indenture as definitive Notes of the same series and tenor.

Section 305. Registration, Registration of Transfer and Exchange. The Company shall cause to be kept at the Corporate Trust Office of the Trustee a register (the register maintained in such office and in any other office or agency of the Company in a Place of Payment being herein sometimes collectively referred to as the "Note Register") in which, subject to such reasonable regulations as it may prescribe, the Company shall provide for the registration of Notes and of transfers of Notes. The Trustee is hereby appointed "Note Registrar" for the purpose of registering Notes and transfers of Notes as herein provided.

Upon surrender for transfer of any Note at the office or agency of the Company in a Place of Payment, in compliance with all applicable requirements of this Indenture and applicable law, the Company shall execute, and the Trustee shall authenticate and deliver, in the name

of the designated transferee or transferees, one or more new Notes of the same series, of any authorized denominations and of a like aggregate principal amount.

At the option of the Holder, Notes may be exchanged for other Notes of the same series, of any authorized denominations and of a like tenor and aggregate principal amount, upon surrender of the Notes to be exchanged at such office or agency. Whenever any Notes are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Notes that the Holder making the exchange is entitled to receive.

All Notes issued upon any transfer or exchange of Notes shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Notes surrendered upon such transfer or exchange.

Every Note presented or surrendered for transfer or exchange shall (if so required by the Company or the Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company and the Note Registrar duly executed, by the Holder thereof or such Holder's attorney duly authorized in writing.

No service charge shall be made for any registration, transfer or exchange of Notes, but the Company may require payment of a sum sufficient to cover any transfer tax or other governmental charge that may be imposed in connection therewith.

The Company shall not be required (i) to issue, transfer or exchange any Note during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption (or purchase) of Notes selected for redemption (or purchase) under Section 1004 and ending at the close of business on the day of such mailing, or (ii) to transfer or exchange any Note so selected for redemption (or purchase) in whole or in part.

Section 306. Mutilated, Destroyed, Lost and Stolen Notes. If (i) any mutilated Note is surrendered to the Trustee, or the Company and the Trustee receive evidence to their satisfaction of the destruction, loss or theft of any Note, and (ii) there is delivered to the Company and the Trustee such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Company or the Trustee that such Note has been acquired by a bona fide purchaser, the Company shall execute and upon receipt of an Authentication Order the Trustee shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Note, a new Note of like tenor and principal amount, bearing a number not contemporaneously Outstanding.

In case any such mutilated, destroyed, lost or stolen Note has become or is about to become due and payable, the Company in their discretion may, instead of issuing a new Note, pay such Note.

Upon the issuance of any new Note under this Section 306, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Note issued pursuant to this Section 306 in lieu of any destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Note shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and ratably with any and all other Notes duly issued hereunder.

The provisions of this Section 306 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

Section 307. Payment of Interest Rights Preserved. Interest on any Note that is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Note (or one or more Predecessor Notes) is registered at the close of business on the Regular Record Date for such interest specified in Section 301.

Any interest on any Note that is payable, but is not punctually paid or duly provided for, on any Interest Payment Date (herein called "Defaulted Interest") shall forthwith cease to be payable to the registered Holder on the relevant Regular Record Date by virtue of having been such Holder; and such Defaulted Interest may be paid by the Company, at its election, as provided in clause (1) or clause (2) below:

(1) The Company may elect to make payment of any Defaulted Interest to the Persons in whose names the Notes (or their respective Predecessor Notes) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Note and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements reasonably satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as provided in this clause (1). Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 nor less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first class postage prepaid, to each Holder at such Holder's address as it appears in the Note Register, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been so mailed, such Defaulted Interest shall be paid to the Persons in whose names the Notes (or their respective Predecessor Notes) are registered on such Special Record Date and shall no longer be payable pursuant to the following clause (2).

(2) The Company may make payment of any Defaulted Interest in any other lawful manner not inconsistent with the requirements of any securities exchange on

which the Notes may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this clause (2), such payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section 307, each Note delivered under this Indenture upon transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, that were carried by such other Note.

Section 308. Persons Deemed Owners. The Company, any Note Guarantor, the Trustee and any agent of any of them may treat the Person in whose name any Note is registered as the owner of such Note for the purpose of receiving payment of principal of (and premium, if any), and (subject to Section 307) interest on, such Note and for all other purposes whatsoever, whether or not such Note be overdue, and neither the Company, any Note Guarantor, the Trustee nor any agent of any of them shall be affected by notice to the contrary.

Section 309. Cancellation. All Notes surrendered for payment, redemption, transfer, exchange or conversion shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee and, if not already cancelled, shall be promptly cancelled by it. The Company may at any time deliver to the Trustee for cancellation any Notes previously authenticated and delivered hereunder that the Company may have acquired in any manner whatsoever, and all Notes so delivered shall be promptly cancelled by the Trustee. No Notes shall be authenticated in lieu of or in exchange for any Notes cancelled as provided in this Section, except as expressly permitted by this Indenture. All cancelled Notes held by the Trustee shall be disposed of as directed by a Company Order of the Company.

Section 310. Computation of Interest. Interest on the Notes shall be computed on the basis of a 360-day year of twelve 30-day months.

Section 311. CUSIP Numbers. The Company in issuing the Notes may use "CUSIP" numbers (if then generally in use), and if so, the Trustee may use the CUSIP numbers in notices of redemption or exchange as a convenience to Holders; *provided, however*, that any such notice may state that no representation is made as to the correctness or accuracy of the CUSIP number printed in the notice or on the Notes, and that reliance may be placed only on the other identification numbers printed on the Notes.

Section 312. Book-Entry Provisions for Global Notes

(a) Each Global Note initially shall (i) be registered in the name of the Depository for such Global Note or the nominee of such Depository (ii) be delivered to the Trustee as custodian for such Depository and (iii) bear a legend as set forth in Section 203. Neither the Company, the Trustee, the Paying Agent, nor any other agent of the Company shall have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of a Global Note, or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Members of, or participants in, the Depository ("Agent Members") shall have no rights under this Indenture with respect to any Global Note, and the Depository may be treated

by the Company, any other obligor upon the Notes, the Trustee and any agent of any of them as the absolute owner of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, any other obligor upon the Notes, the Trustee or any agent of any of them from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices governing the exercise of the rights of a beneficial owner of any Note. The registered holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action that a Holder is entitled to take under this Indenture or the Notes.

(b) Transfers of a Global Note shall be limited to transfers of such Global Note in whole to the Depository, its successors or their respective nominees.

(c) [Reserved]

(d) [Reserved]

(e) The transfer and exchange of a Global Note or beneficial interests therein shall be effected through the Depository, in accordance with this Indenture and the procedures of the Depository therefor.

(f) [Reserved]

(g) The Company, any other obligor upon the Notes or the Trustee, in the discretion of any of them, may treat as the Act of a Holder any instrument or writing of any Person that is identified by the Depository as the owner of a beneficial interest in the Global Note, *provided* that the fact and date of the execution of such instrument or writing is proved in accordance with Section 108(b).

Section 313. [Reserved]

ARTICLE IV

COVENANTS

Section 401. Payment of Principal, Premium and Interest. The Company shall duly and punctually pay the principal of (and premium, if any) and interest on the Notes in accordance with the terms of the Notes and this Indenture.

Section 402. Maintenance of Office or Agency. The Company shall maintain in the Borough of Manhattan, The City of New York an office or agency where Notes may be presented or surrendered for payment, where Notes may be surrendered for transfer or exchange and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company shall give prompt written notice to the Trustee of the location, and of any change in the location, of such office or agency. If at any time the Company shall fail to maintain such office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the

Corporate Trust Office of the Trustee. The Company hereby designates the Corporate Trust Office as the initial Place of Payment and appoints the Trustee its agent to receive all such presentations, surrenders, notices and demands so long as such Corporate Trust Office remains the Place of Payment.

Section 403. Money for Payments To Be Held in Trust If the Company shall at any time act as its own Paying Agent, it will, on or before each due date of the principal of (and premium, if any) or interest on, any of the Notes, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal (and premium, if any) or interest so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided, and will promptly notify the Trustee of its action or failure so to act.

If the Company is not acting as its own Paying Agent, it will, prior to each due date of the principal of (and premium, if any) or interest on, any Notes, deposit with a Paying Agent a sum sufficient to pay the principal (and premium, if any) or interest, so becoming due, such sum to be held in trust for the benefit of the Persons entitled to such principal, premium or interest, and (unless such Paying Agent is the Trustee) the Company will promptly notify the Trustee of its action or failure so to act.

If the Company is not acting as its own Paying Agent, the Company will cause any Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section 403, that such Paying Agent will:

(1) hold all sums held by it for the payment of principal of (and premium, if any) or interest on Notes in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided;

(2) give the Trustee notice of any default by the Company (or any other obligor upon the Notes) in the making of any such payment of principal (and premium, if any) or interest;

(3) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent; and

(4) acknowledge, accept and agree to comply in all respects with the provisions of this Indenture and TIA relating to the duties, rights and liabilities of such Paying Agent.

The Company may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Company Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Company or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Company or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of (and premium, if any) or interest on any Note and remaining unclaimed for two years after such principal (and premium, if any) or interest has become due and payable shall be paid to the Company on Company Request, or (if then held by the Company) shall be discharged from such trust; and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease.

Section 404. [Reserved].

Section 405. SEC Reports. Notwithstanding that the Company may not be required to be or remain subject to the reporting requirements of Section 13(a) or 15(d) of the Exchange Act, the Company will file with the SEC (unless such filing is not permitted under the Exchange Act or by the SEC), so long as the Notes are Outstanding, the annual reports, information, documents and other reports that the Company is required to file with the SEC pursuant to such Section 13(a) or 15(d) or would be so required to file if the Company were so subject. The Company will also, within 15 days after the date on which the Company was so required to file or would be so required to file if the Company were so subject, transmit by mail to all Holders, as their names and addresses appear in the Note Register, and to the Trustee copies of any such information, documents and reports (without exhibits) so required to be filed. The Company will be deemed to have satisfied such requirements if Holding files and provides reports, documents and information of the types otherwise so required, in each case within the applicable time periods, and the Company is not required to file such reports, documents and information separately under the applicable rules and regulations of the SEC (after giving effect to any exemptive relief) because of the filings by Holding. The Company also will comply with the other provisions of TIA § 314(a).

Section 406. Statement as to Default. The Company shall deliver to the Trustee, within 120 days after the end of each fiscal year of the Company ending after the date hereof, an Officer's Certificate, to the effect that to the best knowledge of the signer thereof the Company is or is not in default in the performance and observance of any of the terms, provisions and conditions of this Indenture (without regard to any period of grace or requirement of notice provided hereunder) and, if the Company shall be in default, specifying all such defaults and the nature and status thereof of which such signer may have knowledge. To the extent required by the TIA, each Note Guarantor shall comply with TIA § 314(a)(4). The individual signing any certificate given by any Person pursuant to this Section 406 shall be the principal executive, financial or accounting officer of such Person, in compliance with TIA § 314(a)(4).

Section 407. Limitation on Indebtedness.

(a) The Company will not, and will not permit any Restricted Subsidiary to, Incur any Indebtedness; *provided, however*, that the Company or any Subsidiary Guarantor may Incur Indebtedness if on the date of the Incurrence of such Indebtedness, after giving effect to the Incurrence thereof, the Consolidated Coverage Ratio would be greater than 2.00:1.00.

(b) Notwithstanding the foregoing paragraph (a), the Company and its Restricted Subsidiaries may Incur the following Indebtedness:

(i) Indebtedness Incurred pursuant to any Credit Facility (including but not limited to in respect of letters of credit or bankers' acceptances issued or created thereunder) and Indebtedness of any Foreign Subsidiary Incurred other than under the Senior Credit Facility, and (without limiting the foregoing), in each case, any Refinancing Indebtedness in respect thereof, in a maximum principal amount at any time outstanding not exceeding in the aggregate the amount equal to (A) \$1,800 million, *plus* (B) the amount, if any, by which (x) the Borrowing Base minus (y) the aggregate principal amount of Indebtedness Incurred by a Receivables Subsidiary and then outstanding pursuant to clause (ix) of this paragraph (b), or by a Foreign Subsidiary and then outstanding pursuant to clause (xi) of this paragraph (b), exceeds \$350 million, *plus* (C) in the case of any refinancing of any Credit Facility or any portion thereof, the aggregate amount of fees, underwriting discounts, premiums and other costs and expenses incurred in connection with such refinancing;

(ii) Indebtedness (A) of any Restricted Subsidiary to the Company or (B) of the Company or any Restricted Subsidiary to any Restricted Subsidiary; *provided* that any subsequent issuance or transfer of any Capital Stock of such Restricted Subsidiary to which such Indebtedness is owed, or other event, that results in such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of such Indebtedness (except to the Company or a Restricted Subsidiary) will be deemed, in each case, an Incurrence of such Indebtedness by the issuer thereof not permitted by this clause (ii);

(iii) Indebtedness represented by the Notes (other than any Additional Notes), the Existing Notes, any other Indebtedness (other than the Indebtedness described in clauses (i) or (ii) above) outstanding on the Issue Date and any Refinancing Indebtedness Incurred in respect of any Indebtedness described in this clause (iii) or paragraph (a) above;

(iv) Purchase Money Obligations and Capitalized Lease Obligations, and any Refinancing Indebtedness with respect thereto, in an aggregate principal amount at any time outstanding not exceeding an amount equal to 10% of Consolidated Tangible Assets;

(v) Indebtedness consisting of accommodation guarantees for the benefit of trade creditors of the Company or any of its Restricted Subsidiaries, or represented by Guarantees consisting of contracts for the purchase of wood chips in the ordinary course of business;

(vi) (A) Guarantees by the Company or any Restricted Subsidiary of Indebtedness or any other obligation or liability of the Company or any Restricted Subsidiary (other than any Indebtedness Incurred by the Company or such Restricted Subsidiary, as the case may be, in violation of this Section 407), or (B) without limiting Section 413, Indebtedness of the Company or any Restricted Subsidiary arising by reason of any Lien granted by or applicable to such Person securing Indebtedness of the Company or any

Restricted Subsidiary (other than any Indebtedness Incurred by the Company or such Restricted Subsidiary, as the case may be, in violation of this Section 407);

(vii) Indebtedness of the Company or any Restricted Subsidiary (A) arising from the honoring of a check, draft or similar instrument of such Person drawn against insufficient funds, *provided* that such Indebtedness is extinguished within five Business Days of its Incurrence, or (B) consisting of guarantees, indemnities, obligations in respect of earnouts or other purchase price adjustments, or similar obligations, Incurred in connection with the acquisition or disposition of any business, assets or Person;

(viii) Indebtedness of the Company or any Restricted Subsidiary in respect of (A) letters of credit, bankers' acceptances or other similar instruments or obligations issued, or relating to liabilities or obligations incurred, in the ordinary course of business (including those issued to governmental entities in connection with self-insurance under applicable workers' compensation statutes), or (B) completion guarantees, surety, judgment, appeal or performance bonds, or other similar bonds, instruments or obligations, provided, or relating to liabilities or obligations incurred, in the ordinary course of business, or (C) Hedging Obligations, entered into for bona fide hedging purposes in the ordinary course of business, or (D) Management Guarantees, or (E) the financing of insurance premiums in the ordinary course of business;

(ix) Indebtedness of a Receivables Subsidiary secured by a Lien on all or part of the assets disposed of in, or otherwise Incurred in connection with, a Financing Disposition;

(x) Indebtedness of any Person that is assumed by the Company or any Restricted Subsidiary in connection with its acquisition of assets from such Person or any Affiliate thereof or which is issued and outstanding on or prior to the date on which such Person was acquired by the Company or any Restricted Subsidiary or merged or consolidated with or into any Restricted Subsidiary (other than Indebtedness Incurred to finance, or otherwise Incurred in connection with, such acquisition), *provided* that on the date of such acquisition, merger or consolidation, after giving effect thereto, the Company could Incur at least \$1.00 of additional Indebtedness pursuant to paragraph (a) above; and any Refinancing Indebtedness with respect to any such Indebtedness;

(xi) Indebtedness of any Foreign Subsidiary in an aggregate principal amount at any time outstanding not exceeding an amount equal to the sum (determined as of the end of the most recently ended fiscal quarter for which consolidated financial statements of the Company are available) of (A) 90% of Receivables of all Foreign Subsidiaries plus (B) 75% of Inventory of all Foreign Subsidiaries plus (C) \$100 million; and

(xii) Indebtedness of the Company or any Restricted Subsidiary in an aggregate principal amount at any time outstanding not exceeding an amount equal to 5% of Consolidated Tangible Assets.

(c) For purposes of determining compliance with, and the outstanding principal amount of any particular Indebtedness Incurred pursuant to and in compliance with, this

Section 407, (i) any other obligation of the obligor on such Indebtedness (or of any other Person who could have Incurred such Indebtedness under this Section 407) arising under any Guarantee, Lien or letter of credit, bankers' acceptance or other similar instrument or obligation supporting such Indebtedness shall be disregarded to the extent that such Guarantee, Lien or letter of credit, bankers' acceptance or other similar instrument or obligation secures the principal amount of such Indebtedness; (ii) in the event that Indebtedness meets the criteria of more than one of the types of Indebtedness described in paragraph (b) above, the Company, in its sole discretion, shall classify such item of Indebtedness and may include the amount and type of such Indebtedness in one or more of such clauses; and (iii) the amount of Indebtedness issued at a price that is less than the principal amount thereof shall be equal to the amount of the liability in respect thereof determined in accordance with GAAP.

(d) For purposes of determining compliance with any Dollar-denominated restriction on the Incurrence of Indebtedness denominated in a foreign currency, the Dollar-equivalent principal amount of such Indebtedness Incurred pursuant thereto shall be calculated based on the relevant currency exchange rate in effect on the date that such Indebtedness was Incurred, in the case of term Indebtedness, or first committed, in the case of revolving credit Indebtedness, *provided* that (x) the Dollar-equivalent principal amount of any such Indebtedness outstanding on the Issue Date shall be calculated based on the relevant currency exchange rate in effect on the Issue Date, (y) if such Indebtedness is Incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable Dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such Dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced and (z) the Dollar-equivalent principal amount of Indebtedness denominated in a foreign currency and Incurred pursuant to the Senior Credit Facility shall be calculated based on the relevant currency exchange rate in effect on, at the Company's option, (i) the Issue Date, (ii) any date on which any of the respective commitments under the Senior Credit Facility shall be reallocated between or among facilities or subfacilities thereunder, or on which such rate is otherwise calculated for any purpose thereunder, or (iii) the date of such Incurrence. The principal amount of any Indebtedness Incurred to refinance other Indebtedness, if Incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such refinancing.

Section 408. [Reserved].

Section 409. Limitation on Restricted Payments.

(a) The Company shall not, and shall not permit any Restricted Subsidiary, directly or indirectly, to (i) declare or pay any dividend or make any distribution on or in respect of its Capital Stock (including any such payment in connection with any merger or consolidation to which the Company is a party) except (x) dividends or distributions payable solely in its Capital Stock (other than Disqualified Stock) and (y) dividends or distributions payable to the Company or any Restricted Subsidiary (and, in the case of any such Restricted Subsidiary making such

dividend or distribution, to other holders of its Capital Stock on no more than a pro rata basis, measured by value), (ii) purchase, redeem, retire or otherwise acquire for value any Capital Stock of the Company held by Persons other than the Company or a Restricted Subsidiary, (iii) voluntarily purchase, repurchase, redeem, defease or otherwise voluntarily acquire or retire for value, prior to scheduled maturity, scheduled repayment or scheduled sinking fund payment, any Subordinated Obligations (other than a purchase, repurchase, redemption, defeasance or other acquisition or retirement for value in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case due within one year of the date of such acquisition or retirement) or (iv) make any Investment (other than a Permitted Investment) in any Person (any such dividend, distribution, purchase, redemption, repurchase, defeasance, other acquisition or retirement or Investment being herein referred to as a "Restricted Payment"), if at the time the Company or such Restricted Subsidiary makes such Restricted Payment and after giving effect thereto:

(i) a Default shall have occurred and be continuing (or would result therefrom);

(ii) the Company could not Incur at least an additional \$1.00 of Indebtedness pursuant to Section 407(a); or

(iii) the aggregate amount of such Restricted Payment and all other Restricted Payments (the amount so expended, if other than in cash, to be as determined in good faith by the Board of Directors, whose determination shall be conclusive and evidenced by a resolution of the Board of Directors) declared or made subsequent to the Issue Date and then outstanding would exceed, without duplication, the sum of:

(A) 50% of the Consolidated Net Income accrued during the period (treated as one accounting period) beginning on July 1, 2009 to the end of the most recent fiscal quarter ending prior to the date of such Restricted Payment for which consolidated financial statements of the Company are available (or, in case such Consolidated Net Income shall be a negative number, 100% of such negative number);

(B) the aggregate Net Cash Proceeds and the fair value (as determined in good faith by the Board of Directors) of property or assets received (x) by the Company as capital contributions to the Company after the Issue Date or from the issuance or sale (other than to a Restricted Subsidiary) of its Capital Stock (other than Disqualified Stock) after the Issue Date (other than Excluded Contributions) or (y) by the Company or any Restricted Subsidiary from the issuance and sale by the Company or any Restricted Subsidiary after the Issue Date of Indebtedness that shall have been converted into or exchanged for Capital Stock of the Company (other than Disqualified Stock), plus the amount of any cash and the fair value (as determined in good faith by the Board of Directors) of any property or assets, received by the Company or any Restricted Subsidiary upon such conversion or exchange;

(C) the aggregate amount equal to the net reduction in Investments in Unrestricted Subsidiaries resulting from (i) dividends, distributions, interest payments, return of capital, repayments of Investments or other transfers of assets to the Company or any Restricted Subsidiary from any Unrestricted Subsidiary, or (ii) the redesignation of any Unrestricted Subsidiary as a Restricted Subsidiary (valued in each case as provided in the definition of “Investment”), not to exceed in the case of any such Unrestricted Subsidiary the aggregate amount of Investments (other than Permitted Investments) made by the Company or any Restricted Subsidiary in such Unrestricted Subsidiary after the Issue Date; and

(D) in the case of any disposition or repayment of any Investment constituting a Restricted Payment (without duplication of any amount deducted in calculating the amount of Investments at any time outstanding included in the amount of Restricted Payments), an amount in the aggregate equal to the lesser of the return of capital, repayment or other proceeds with respect to all such Investments received by the Company or a Restricted Subsidiary and the initial amount of all such Investments constituting Restricted Payments.

(b) The provisions of Section 409(a) will not prohibit any of the following (each, a “Permitted Payment”):

(i) any purchase, redemption, repurchase, defeasance or other acquisition or retirement of Capital Stock of the Company or Subordinated Obligations made by exchange (including any such exchange pursuant to the exercise of a conversion right or privilege in connection with which cash is paid in lieu of the issuance of fractional shares) for, or out of the proceeds of the substantially concurrent issuance or sale of, Capital Stock of the Company (other than Disqualified Stock and other than Capital Stock issued or sold to a Subsidiary) or a substantially concurrent capital contribution to the Company, in each case other than Excluded Contributions; *provided* that the Net Cash Proceeds from such issuance, sale or capital contribution shall be excluded in subsequent calculations under Section 409(a)(iii)(B);

(ii) any purchase, redemption, repurchase, defeasance or other acquisition or retirement of Subordinated Obligations (w) made by exchange for, or out of the proceeds of the substantially concurrent issuance or sale of, Indebtedness of the Company or Refinancing Indebtedness Incurred in compliance with Section 407, (x) from Net Available Cash to the extent permitted by Section 411, (y) following the occurrence of a Change of Control (or other similar event described therein as a “change of control”), but only if the Company shall have complied with Section 415 and, if required, purchased all Notes tendered pursuant to the offer to repurchase all the Notes required thereby, prior to purchasing or repaying such Subordinated Obligations or (z) constituting Acquired Indebtedness;

(iii) dividends paid within 60 days after the date of declaration thereof if at such date of declaration such dividend would have complied with Section 409(a);

(iv) Investments or other Restricted Payments in an aggregate amount outstanding at any time not to exceed the amount of Excluded Contributions;

(v) loans, advances, dividends or distributions by the Company to Holding or GPC to permit Holding to repurchase or otherwise acquire its Capital Stock (including any options, warrants or other rights in respect thereof), or payments by the Company to repurchase or otherwise acquire Capital Stock of Holding or the Company (including any options, warrants or other rights in respect thereof), in each case from Management Investors, such payments, loans, advances, dividends or distributions not to exceed since the Issue Date an amount (net of repayments of any such loans or advances) equal to (1) \$20.0 million, *plus* (2) \$5.0 million multiplied by the number of calendar years that have commenced since the Issue Date, *plus* the Net Cash Proceeds received by the Company since the Issue Date from, or as a capital contribution from, the issuance or sale to Management Investors of Capital Stock (including any options, warrants or other rights in respect thereof), to the extent such Net Cash Proceeds are not included in any calculation under Section 409(a)(iii)(B)(x);

(vi) the payment by the Company of, or loans, advances, dividends or distributions by the Company to GPC or Holding to pay, dividends on the common stock or equity of the Company, GPC or Holding following a public offering of such common stock or equity in an amount not to exceed in any fiscal year 6% of the aggregate gross proceeds received by the Company, GPC or Holding in or from such public offering;

(viii) loans, advances, dividends or distributions to Holding or GPC or other payments by the Company or any Restricted Subsidiary (A) to satisfy or permit Holding to satisfy obligations under the Equity Agreements, or (B) to pay or permit Holding or GPC to pay any Holding Expenses or any Related Taxes;

(ix) payments by the Company, or loans, advances, dividends or distributions by the Company to Holding to make payments, to holders of Capital Stock of the Company or Holding in lieu of issuance of fractional shares of such Capital Stock, not to exceed \$100,000 since the Issue Date;

(x) dividends or other distributions of Capital Stock, Indebtedness or other securities of Unrestricted Subsidiaries;

(xi) in addition to the Restricted Payments permitted by the preceding clauses (i) through (x), other Restricted Payments (including loans or advances) since the Issue Date not to exceed \$100.0 million (net of repayments of any such loans or advances), in each case so long as, at the time of and after giving effect to the making of such Restricted Payment and the consummation of all other related transactions, the Consolidated Total Leverage Ratio would not exceed 3.75:1.00; and

(xii) in addition to the Restricted Payments permitted by the preceding clauses (i) through (xi), other Restricted Payments (including loans or advances) since the Issue Date not to exceed \$100.0 million (net of repayments of any such loans or advances), in each case so long as, at the time of and after giving effect to the making of such

Restricted Payment and the consummation of all other related transactions, the Consolidated Total Leverage Ratio would not exceed 3.25:1.00.

provided, that (A), in the case of clauses (iii), (vi) and (ix), the net amount of any such Permitted Payment shall be included in subsequent calculations of the amount of Restricted Payments, (B) in the case of clause (v), at the time of any calculation of the amount of Restricted Payments, the net amount of Permitted Payments that have then actually been made since the Issue Date under clause (v) that is in excess of 50% of the total amount of Permitted Payments then permitted under clause (v) shall be included in such calculation of the amount of Restricted Payments, (C), in all cases other than pursuant to clauses (A) and (B) immediately above, the net amount of any such Permitted Payment shall be excluded in subsequent calculations of the amount of Restricted Payments and (D), solely with respect to clauses (vii), (xi) and (xii), no Default or Event of Default shall have occurred or be continuing at the time of any such Permitted Payment after giving effect thereto.

Section 410. Limitation on Restrictions on Distributions from Restricted Subsidiaries. The Company will not, and will not permit any Restricted Subsidiary to, create or otherwise cause to exist or become effective any consensual encumbrance or restriction on the ability of any Restricted Subsidiary to (i) pay dividends or make any other distributions on its Capital Stock or pay any Indebtedness or other obligations owed to the Company, (ii) make any loans or advances to the Company or (iii) transfer any of its property or assets to the Company, except any encumbrance or restriction:

(1) pursuant to an agreement or instrument in effect at or entered into on the Issue Date, any Credit Facility, the Existing Indentures, the Existing Notes, this Indenture or the Notes;

(2) pursuant to any agreement or instrument of a Person, or relating to Indebtedness or Capital Stock of a Person, which Person is acquired by or merged or consolidated with or into the Company or any Restricted Subsidiary, or which agreement or instrument is assumed by the Company or any Restricted Subsidiary in connection with an acquisition of assets from such Person, as in effect at the time of such acquisition, merger or consolidation (except to the extent that such Indebtedness was Incurred to finance, or otherwise in connection with, such acquisition, merger or consolidation); *provided* that for purposes of this clause (2), if another Person is the Successor Company, any Subsidiary thereof or agreement or instrument of such Person or any such Subsidiary shall be deemed acquired or assumed, as the case may be, by the Company or a Restricted Subsidiary, as the case may be, when such Person becomes the Successor Company;

(3) pursuant to an agreement or instrument (a "Refinancing Agreement") effecting a refinancing of Indebtedness Incurred pursuant to, or that otherwise extends, renews, refunds, refinances or replaces, an agreement or instrument referred to in clause (1) or (2) of this Section 410 or this clause (3) (an "Initial Agreement") or contained in any amendment, supplement or other modification to an Initial Agreement (an "Amendment"); *provided, however*, that the encumbrances and restrictions contained in any such Refinancing Agreement or Amendment are not materially less favorable to the Holders of the Notes taken as a whole than encumbrances and restrictions contained in the Initial

Agreement or Initial Agreements to which such Refinancing Agreement or Amendment relates (as determined in good faith by the Company);

(4) (A) that restricts in a customary manner the subletting, assignment or transfer of any property or asset that is subject to a lease, license or similar contract, or the assignment or transfer of any lease, license or other contract, (B) by virtue of any transfer of, agreement to transfer, option or right with respect to, or Lien on, any property or assets of the Company or any Restricted Subsidiary not otherwise prohibited by this Indenture, (C) contained in mortgages, pledges or other security agreements securing Indebtedness of a Restricted Subsidiary to the extent restricting the transfer of the property or assets subject thereto, (D) pursuant to customary provisions restricting dispositions of real property interests set forth in any reciprocal easement agreements of the Company or any Restricted Subsidiary, (E) pursuant to Purchase Money Obligations that impose encumbrances or restrictions on the property or assets so acquired, (F) on cash or other deposits or net worth imposed by customers under agreements entered into in the ordinary course of business, (G) pursuant to customary provisions contained in agreements and instruments entered into in the ordinary course of business (including leases and joint venture and other similar agreements entered into in the ordinary course of business), (H) that arises or is agreed to in the ordinary course of business and does not detract from the value of property or assets of the Company or any Restricted Subsidiary in any manner material to the Company or such Restricted Subsidiary or (I) pursuant to Hedging Obligations;

(5) with respect to a Restricted Subsidiary (or any of its property or assets) imposed pursuant to an agreement entered into for the direct or indirect sale or disposition of all or substantially all the Capital Stock or assets of such Restricted Subsidiary (or the property or assets that are subject to such restriction) pending the closing of such sale or disposition;

(6) by reason of any applicable law, rule, regulation or order, or required by any regulatory authority having jurisdiction over the Company or any Restricted Subsidiary or any of their businesses; or

(7) pursuant to an agreement or instrument (A) relating to any Indebtedness permitted to be Incurred subsequent to the Issue Date pursuant to the provisions of Section 407, (i) if the encumbrances and restrictions contained in any such agreement or instrument taken as a whole are not materially less favorable to the Holders of the Notes than the encumbrances and restrictions contained in the Initial Agreements (as determined in good faith by the Company), or (ii) if such encumbrance or restriction is not materially more disadvantageous to the Holders of the Notes than is customary in comparable financings (as determined in good faith by the Company) and either (x) the Company determines that such encumbrance or restriction will not materially affect the Company's ability to make principal or interest payments on the Notes or (y) such encumbrance or restriction applies only if a default occurs in respect of a payment or financial covenant relating to such Indebtedness, (B) relating to any sale of receivables by a Foreign Subsidiary

or (C) relating to Indebtedness of or a Financing Disposition to or by any Receivables Entity.

Section 411. Limitation on Sales of Assets and Subsidiary Stock.

(a) The Company will not, and will not permit any Restricted Subsidiary to, make any Asset Disposition unless

(i) the Company or such Restricted Subsidiary receives consideration (including by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise) at the time of such Asset Disposition at least equal to the fair market value of the shares and assets subject to such Asset Disposition, as such fair market value may be determined (and shall be determined, to the extent such Asset Disposition or any series of related Asset Dispositions involves aggregate consideration in excess of \$20.0 million) in good faith by the Board of Directors, whose determination shall be conclusive (including as to the value of all non-cash consideration),

(ii) in the case of any Asset Disposition (or series of related Asset Dispositions) having a fair market value of \$20.0 million or more, at least 75% of the consideration therefor (excluding, in the case of an Asset Disposition (or series of related Asset Dispositions), any consideration by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise, that are not Indebtedness) received by the Company or such Restricted Subsidiary is in the form of cash, and

(iii) an amount equal to 100% of the Net Available Cash from such Asset Disposition is applied by the Company (or any Restricted Subsidiary, as the case may be) as follows:

(A) *first*, either (x) to the extent the Company elects (or is required by the terms of any Bank Indebtedness, any Senior Indebtedness of the Company or any Note Guarantor or any Indebtedness of a Restricted Subsidiary that is not a Note Guarantor), to prepay, repay or purchase any such Indebtedness (in each case other than Indebtedness owed to the Company or a Restricted Subsidiary) within 365 days after the later of the date of such Asset Disposition and the date of receipt of such Net Available Cash, or (y) to the extent the Company or such Restricted Subsidiary elects, to reinvest in Additional Assets (including by means of an investment in Additional Assets by a Restricted Subsidiary with Net Available Cash received by the Company or another Restricted Subsidiary) within 365 days from the later of the date of such Asset Disposition and the date of receipt of such Net Available Cash, or, if such reinvestment in Additional Assets is a project authorized by the Board of Directors that will take longer than such 365 days to complete, the period of time necessary to complete such project;

(B) *second*, to the extent of the balance of such Net Available Cash after application in accordance with clause (A) above (such balance, the "Excess Proceeds"), to make an offer to purchase Notes and (to the extent the Company or such Restricted Subsidiary elects, or is required by the terms thereof) to purchase,

redeem or repay any other Senior Indebtedness of the Company or a Restricted Subsidiary, pursuant and subject to the conditions of this Indenture and the agreements governing such other Indebtedness; and

(C) *third*, to the extent of the balance of such Net Available Cash after application in accordance with clauses (A) and (B) above, to fund (to the extent consistent with any other applicable provision of this Indenture) any general corporate purpose (including the repurchase, repayment or other acquisition or retirement of any Subordinated Obligations);

provided, however, that in connection with any prepayment, repayment or purchase of Indebtedness pursuant to clause (A)(x) or (B) above, the Company or such Restricted Subsidiary will retire such Indebtedness and will cause the related loan commitment (if any) to be permanently reduced in an amount equal to the principal amount so prepaid, repaid or purchased.

Notwithstanding the foregoing provisions of this Section 411, the Company and the Restricted Subsidiaries shall not be required to apply any Net Available Cash in accordance with this Section 411 except to the extent that the aggregate Net Available Cash from all Asset Dispositions that is not applied in accordance with this Section 411 exceeds \$25.0 million. If the aggregate principal amount of Notes and other Indebtedness of the Company or a Restricted Subsidiary validly tendered and not withdrawn (or otherwise subject to purchase, redemption or repayment) in connection with an offer pursuant to clause (iii) (B) above exceeds the Excess Proceeds, the Excess Proceeds will be apportioned between such Notes and such other Indebtedness of the Company or a Restricted Subsidiary, with the portion of the Excess Proceeds payable in respect of such Notes to equal the lesser of (x) the Excess Proceeds amount multiplied by a fraction, the numerator of which is the outstanding principal amount of such Notes and the denominator of which is the sum of the outstanding principal amount of the Notes and the outstanding principal amount of the relevant other Indebtedness of the Company or a Restricted Subsidiary, and (y) the aggregate principal amount of Notes validly tendered and not withdrawn.

For the purposes of clause (ii) of paragraph (a) above, the following are deemed to be cash: (1) Temporary Cash Investments and Cash Equivalents, (2) the assumption of Indebtedness of the Company (other than Disqualified Stock of the Company) or any Restricted Subsidiary and the release of the Company or such Restricted Subsidiary from all liability on payment of the principal amount of such Indebtedness in connection with such Asset Disposition, (3) Indebtedness of any Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Disposition, to the extent that the Company and each other Restricted Subsidiary are released from any Guarantee of payment of the principal amount of such Indebtedness in connection with such Asset Disposition, (4) securities received by the Company or any Restricted Subsidiary from the transferee that are converted by the Company or such Restricted Subsidiary into cash within 180 days, (5) consideration consisting of Indebtedness of the Company or any Restricted Subsidiary and (6) any Designated Non-Cash Consideration received by the Company or any of its Restricted Subsidiaries in an Asset Disposition having an aggregate Fair Market Value, taken together with all other Designated Non-Cash Consideration received pursuant to this clause, not to exceed an aggregate amount at any time outstanding equal to 3% of Consolidated Tangible Assets (with the Fair Market Value of each item of Designated Non-

cash Consideration being measured at the time received and without giving effect to subsequent changes in value).

(b) In the event of an Asset Disposition that requires the purchase of Notes pursuant to Section 411(a)(iii)(B), the Company will be required to purchase Notes tendered pursuant to an offer by the Company for the Notes (the "Offer") at a purchase price of 100% of their principal amount plus accrued and unpaid interest to the purchase date in accordance with the procedures (including prorating in the event of oversubscription) set forth in this Indenture. If the aggregate purchase price of the Notes tendered pursuant to the Offer is less than the Net Available Cash allotted to the purchase of Notes, the remaining Net Available Cash will be available to the Company for use in accordance with Section 411(a)(iii)(B) (to repay other Indebtedness of the Company or a Restricted Subsidiary) or Section 411(a)(iii)(C). The Company shall not be required to make an Offer for Notes pursuant to this Section 411 if the Net Available Cash available therefor (after application of the proceeds as provided in Section 411(a)(iii)(A)) is less than \$25.0 million for any particular Asset Disposition (which lesser amounts shall be carried forward for purposes of determining whether an Offer is required with respect to the Net Available Cash from any subsequent Asset Disposition).

(c) The Company shall, not later than 45 days after the Company becomes obligated to make an Offer pursuant to this Section 411, mail a notice to each Holder with a copy to the Trustee stating: (1) that an Asset Disposition that requires the purchase of a portion of the Notes has occurred and that such Holder has the right (subject to the prorating described below) to require the Company to purchase a portion of such Holder's Notes at a purchase price in cash equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of purchase (subject to Section 307); (2) the circumstances and relevant facts and financial information regarding such Asset Disposition; (3) the repurchase date (which shall be no earlier than 30 days nor later than 60 days from the date such notice is mailed); (4) the instructions determined by the Company, consistent with this Section 411, that a Holder must follow in order to have its Notes purchased; and (5) the amount of the Offer. If, upon the expiration of the period for which the Offer remains open, the aggregate principal amount of Notes surrendered by Holders exceeds the amount of the Offer, the Company shall select the Notes to be purchased on a pro rata basis (with such adjustments as may be deemed appropriate by the Company so that only Notes in denominations of \$2,000 or integral multiples of \$1,000 in excess thereof, shall be purchased).

(d) The Company will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes pursuant to this Section 411. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section 411, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 411 by virtue thereof.

Section 412. Limitation on Transactions with Affiliates

(a) The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, enter into or conduct any transaction or series of related transactions (including the purchase, sale, lease or exchange of any property or the rendering of any service)

with any Affiliate of the Company (an “Affiliate Transaction”) unless (i) the terms of such Affiliate Transaction are not materially less favorable to the Company or such Restricted Subsidiary, as the case may be, than those that could be obtained at the time in a transaction with a Person who is not such an Affiliate and (ii) if such Affiliate Transaction involves aggregate consideration in excess of \$15.0 million, the terms of such Affiliate Transaction have been approved by a majority of the Disinterested Directors. For purposes of this Section 412(a), any Affiliate Transaction shall be deemed to have satisfied the requirements set forth in this Section 412(a) if (x) such Affiliate Transaction is approved by a majority of the Disinterested Directors or (y) in the event there are no Disinterested Directors, a fairness opinion is provided by a nationally recognized appraisal or investment banking firm with respect to such Affiliate Transaction.

(b) The provisions of Section 412(a) will not apply to:

(i) any Restricted Payment Transaction,

(ii) (1) the entering into, maintaining or performance of any employment contract, collective bargaining agreement, benefit plan, program or arrangement, related trust agreement or any other similar arrangement for or with any employee, officer or director heretofore or hereafter entered into in the ordinary course of business, including vacation, health, insurance, deferred compensation, severance, retirement, savings or other similar plans, programs or arrangements, (2) the payment of compensation, performance of indemnification or contribution obligations, or any issuance, grant or award of stock, options, other equity-related interests or other securities, to employees, officers or directors in the ordinary course of business, (3) the payment of reasonable fees to directors of the Company or any of its Subsidiaries (as determined in good faith by the Company or such Subsidiary), (4) any transaction with an officer or director in the ordinary course of business not involving more than \$100,000 in any one case, or (5) Management Advances and payments in respect thereof,

(iii) any transaction with the Company, any Restricted Subsidiary, or any Receivables Entity,

(iv) any transaction arising out of agreements or instruments in existence on the Issue Date, and any payments made pursuant thereto,

(v) any transaction in the ordinary course of business on terms not materially less favorable to the Company or the relevant Restricted Subsidiary than those that could be obtained at the time in a transaction with a Person who is not an Affiliate of the Company,

(vi) any transaction in the ordinary course of business, or approved by a majority of the Board of Directors, between the Company or any Restricted Subsidiary and any Affiliate of the Company controlled by the Company that is a joint venture or similar entity, and

(vii) the Transactions, all transactions in connection therewith (including but not limited to the financing thereof), and all fees and expenses paid or payable in connection with the Transactions.

Section 413. Limitation on Liens. The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, create or permit to exist any Lien (other than Permitted Liens) on any of its property or assets (including Capital Stock of any other Person), whether owned on the date of this Indenture or thereafter acquired, securing any Indebtedness (the “Initial Lien”), unless contemporaneously therewith effective provision is made to secure the Indebtedness due under this Indenture and the Notes or, in respect of Liens on any Restricted Subsidiary’s property or assets, any Note Guarantee of such Restricted Subsidiary, equally and ratably with (or on a senior basis to, in the case of Subordinated Obligations or Guarantor Subordinated Obligations) such obligation for so long as such obligation is so secured by such Initial Lien. Any such Lien thereby created in favor of the Notes or any such Note Guarantee will be automatically and unconditionally released and discharged upon (i) the release and discharge of the Initial Lien to which it relates or (ii) any sale, exchange or transfer (other than upon foreclosure of the Initial Lien) to any Person not an Affiliate of the Company of the property or assets secured by such Initial Lien, or of all of the Capital Stock held by the Company or any Restricted Subsidiary in, or all or substantially all the assets of, any Restricted Subsidiary creating such Initial Lien.

Section 414. Future Note Guarantors. The Company will cause each Significant Domestic Subsidiary that guarantees payment by the Company of any Bank Indebtedness of the Company or any of the Existing Notes to execute and deliver to the Trustee a Supplemental Indenture or other instrument pursuant to which such Subsidiary will guarantee payment of the Notes, whereupon such Subsidiary will become a Note Guarantor for all purposes under this Indenture. In addition, the Company may cause any Subsidiary that is not a Subsidiary Guarantor so to guarantee payment of the Notes and become a Subsidiary Guarantor.

Section 415. Purchase of Notes Upon a Change in Control.

(a) Upon the occurrence of a Change of Control, each Holder of the Notes will have the right to require the Company to repurchase all or any part of such Holder’s Notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of repurchase (subject to Section 307); *provided, however*, that the Company shall not be obligated to repurchase Notes pursuant to this Section 415 in the event that it has exercised its right to redeem all of the Notes as provided in Article 10.

(b) In the event that, at the time of such Change of Control, the terms of the Bank Indebtedness restrict or prohibit the repurchase of the Notes pursuant to this Section 415, then prior to the mailing of the notice to the Holders provided for in Section 415(c) but in any event not later than 30 days following the date the Company obtains actual knowledge of any Change of Control (unless the Company has exercised its right to redeem all the Notes as provided in Article 10), the Company shall (i) repay in full all Bank Indebtedness subject to such terms or offer to repay in full all such Bank Indebtedness and repay the Bank Indebtedness of each lender who has accepted such offer or (ii) obtain the requisite consent under the agreements governing the Bank Indebtedness to permit the repurchase of the Notes as provided for in

Section 415(c). The Company shall first comply with the provisions of the immediately preceding sentence before it shall be required to repurchase Notes pursuant to the provisions set forth in this Section 415. The Company's failure to comply with the provisions of this Section 415(b) or Section 415(c) shall constitute an Event of Default described in Section 601(iv) and not Section 601(ii).

(c) Unless the Company has exercised its right to redeem all the Notes as described under Article 10, the Company shall, not later than 30 days following the date the Company obtains actual knowledge of any Change of Control having occurred, mail a notice to each Holder with a copy to the Trustee stating: (i) that a Change of Control has occurred or may occur and that such Holder has, or upon such occurrence will have, the right to require the Company to purchase such Holder's Notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest if any, to the date of purchase (subject to the right of Holders of record on a record date to receive interest on the relevant interest payment date); (ii) the circumstances and relevant facts and financial information regarding such Change of Control; (iii) the repurchase date (which shall be no earlier than 30 days nor later than 60 days from the date such notice is mailed); (iv) the instructions determined by the Company, consistent with this Section 415, that a Holder must follow in order to have its Notes purchased; and (v) if such notice is mailed prior to the occurrence of a Change of Control, that such offer is conditioned on the occurrence of such Change of Control.

(d) The Company will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes pursuant to this Section 415. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section 415, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 415 by virtue thereof.

ARTICLE V SUCCESSORS

Section 501. When the Company May Merge, Etc.

(a) The Company will not consolidate with or merge with or into, or convey, transfer or lease all or substantially all its assets to, any Person, unless:

(i) the resulting, surviving or transferee Person (the "Successor Company") will be a Person organized and existing under the laws of the United States of America, any State thereof or the District of Columbia and the Successor Company (if not the Company) will expressly assume all the obligations of the Company under the Notes and this Indenture by executing and delivering to the Trustee a supplemental indenture or one or more other documents or instruments in form reasonably satisfactory to the Trustee;

(ii) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the Successor Company or any Restricted Subsidiary as a result of such transaction as having been Incurred by the Successor Company

or such Restricted Subsidiary at the time of such transaction), no Default will have occurred and be continuing;

(iii) immediately after giving effect to such transaction, either (A) the Successor Company could Incur at least \$1.00 of additional Indebtedness pursuant to Section 407(a) or (B) the Consolidated Coverage Ratio of the Successor Company would equal or exceed the Consolidated Coverage Ratio of the Company immediately prior to giving effect to such transaction;

(iv) each Note Guarantor (other than any party to any such consolidation or merger) shall have delivered a supplemental indenture or other document or instrument in form reasonably satisfactory to the Trustee, confirming its Note Guarantee; and

(v) the Company will have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each to the effect that such consolidation, merger or transfer complies with the provisions described in this paragraph, *provided* that (x) in giving such opinion such counsel may rely on an Officer's Certificate as to compliance with the foregoing clauses (ii) and (iii) and as to any matters of fact, and (y) no Opinion of Counsel will be required for a consolidation, merger or transfer described in Section 501(b).

Any Indebtedness that becomes an obligation of the Company or any Restricted Subsidiary (or that is deemed to be Incurred by any Restricted Subsidiary that becomes a Restricted Subsidiary) as a result of any such transaction undertaken in compliance with this Section 501, and any Refinancing Indebtedness with respect thereto, shall be deemed to have been Incurred in compliance with Section 407.

(b) Clauses (ii) and (iii) of Section 501 (a) will not apply to any transaction in which (1) any Restricted Subsidiary consolidates with, merges into or transfers all or part of its assets to the Company or (2) the Company consolidates or merges with or into or transfers all or substantially all its properties and assets to (x) an Affiliate incorporated or organized for the purpose of reincorporating or reorganizing the Company in another jurisdiction or changing its legal structure to a corporation or other entity or (y) a Restricted Subsidiary of the Company so long as all assets of the Company and the Restricted Subsidiaries immediately prior to such transaction (other than Capital Stock of such Restricted Subsidiary) are owned by such Restricted Subsidiary and its Restricted Subsidiaries immediately after the consummation thereof.

Section 502. Successor Company Substituted. Upon any transaction involving the Company in accordance with Section 501, in which the Company is not the Successor Company, the Successor Company will succeed to, and be substituted for, and may exercise every right and power of, the Company under this Indenture, and thereafter the predecessor Company shall be relieved of all obligations and covenants under this Indenture, except that the predecessor Company in the case of a lease of all or substantially all its assets will not be released from the obligation to pay the principal of and interest on the Notes.

ARTICLE VI

Section 601. Events of Default. An “Event of Default” means the occurrence of the following:

- (i) a default in any payment of interest on any Note when due, continued for a period of 30 days;

- (vi) the failure by any Subsidiary Guarantor to comply for 45 days after the notice specified in the penultimate paragraph of this Section 601 with its obligations under its Note Guarantee;
- (vii) the failure by the Company or any Restricted Subsidiary to pay any Indebtedness within any applicable grace period after final maturity or the acceleration of any such Indebtedness by the holders thereof because of a default, if the total amount of such Indebtedness so unpaid or accelerated exceeds \$40.0 million or its foreign currency equivalent; *provided*, that no Default or Event of Default will be deemed to occur with respect to any such accelerated Indebtedness that is paid or otherwise acquired or retired within 20 Business Days after such acceleration;
- (viii) the taking of any of the following actions by the Company or any Significant Subsidiary, or by each of such other Restricted Subsidiaries that are not Significant Subsidiaries but would in the aggregate constitute a Significant Subsidiary if considered as a single Person, pursuant to or within the meaning of any Bankruptcy law:

(ix) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(A) is for relief against the Company or any Significant Subsidiary, or against each of such other Restricted Subsidiaries that are not Significant Subsidiaries but would in the aggregate constitute a Significant Subsidiary if considered as a single Person, in an involuntary case;

(B) appoints (x) a Custodian of the Company or any Significant Subsidiary or for any substantial part of its property, or (y) a Custodian of each of such other Restricted Subsidiaries that are not Significant Subsidiaries but would in the aggregate constitute a Significant Subsidiary if considered as a single Person, or for any substantial part of their property in the aggregate; or

(C) orders the winding-up or liquidation of the Company or any Significant Subsidiary, or of each of such other Restricted Subsidiaries that are not Significant Subsidiaries but would in the aggregate constitute a Significant Subsidiary if considered as a single Person;

and the order or decree remains unstayed and in effect for 60 days;

(x) the rendering of any judgment or decree for the payment of money in an amount (net of any insurance or indemnity payments actually received in respect thereof prior to or within 90 days from the entry thereof, or to be received in respect thereof in the event any appeal thereof shall be unsuccessful) in excess of \$30.0 million or its foreign currency equivalent against the Company or a Significant Subsidiary, or jointly and severally against other Restricted Subsidiaries that are not Significant Subsidiaries but would in the aggregate constitute a Significant Subsidiary if considered as a single Person, that is not discharged, or bonded or insured by a third Person, if such judgment or decree remains outstanding for a period of 90 days following such judgment or decree and is not discharged, waived or stayed; or

(xi) the failure of any Note Guarantee by a Note Guarantor that is a Significant Subsidiary to be in full force and effect (except as contemplated by the terms thereof or of this Indenture) or the denial or disaffirmation in writing by any Note Guarantor that is a Significant Subsidiary of its obligations under this Indenture or its Note Guarantee (other than by reason of the termination of this Indenture or such Note Guarantee or the release of such Note Guarantee in accordance with such Note Guarantee and this Indenture), if such Default continues for 10 days.

The foregoing will constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or

pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

The term “Bankruptcy Law” means Title 11, United States Code, or any similar Federal, state or foreign law for the relief of debtors. The term “Custodian” means any receiver, trustee, assignee, liquidator, custodian or similar official under any Bankruptcy Law.

However, a Default under clause (iv), (v) or (vi) will not constitute an Event of Default until the Trustee or the Holders of at least 25% in principal amount of the Outstanding Notes notify the Company of the Default and the Company does not cure such Default within the time specified in such clause after receipt of such notice. Such notice must specify the Default, demand that it be remedied and state that such notice is a “Notice of Default.” When a Default or an Event of Default is cured, it ceases.

The Company shall deliver to the Trustee, within 30 days after the occurrence thereof, written notice in the form of an Officer’s Certificate of any Event of Default under clause (vii) or (x) and any event that with the giving of notice or the lapse of time would become an Event of Default under clause (iv), (v) or (vi), its status and what action the Company is taking or proposes to take with respect thereto.

Section 602. Acceleration of Maturity; Rescission and Annulment. If an Event of Default (other than an Event of Default specified in Section 601 (viii) or Section 601 (ix)) occurs and is continuing, the Trustee by notice to the Company, or the Holders of at least a majority in principal amount of the Outstanding Notes by notice to the Company and the Trustee, in either case specifying in such notice the respective Event of Default and that such notice is a “notice of acceleration,” may declare the principal of and accrued but unpaid interest on all the Notes to be due and payable. Upon the effectiveness of such a declaration, such principal and interest will be due and payable immediately.

Notwithstanding the foregoing, if an Event of Default specified in Section 601 (viii) or Section 601 (ix) occurs and is continuing, the principal of and accrued interest on all the Outstanding Notes will ipso facto become immediately due and payable without any declaration or other act on the part of the Trustee or any Holder. The Holders of a majority in principal amount of the Outstanding Notes by notice to the Company and the Trustee may rescind an acceleration and its consequences if the rescission would not conflict with any judgment or decree and if all existing Events of Default have been cured or waived except non-payment of principal or interest that has become due solely because of such acceleration. No such rescission shall affect any subsequent Default or impair any right consequent thereto.

Section 603. Other Remedies; Collection Suit by Trustee. If an Event of Default occurs and is continuing, the Trustee may, but is not obligated under Section 603 to pursue any available remedy to collect the payment of principal of or interest on the Notes or to enforce the performance of any provision of the Notes of this Indenture. If an Event of Default specified in Section 601(i) or 601 (ii) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Company for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 707.

Section 604. Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and the Holders allowed in any judicial proceedings relative to the Company or any other obligor upon the Notes, its creditors or its property and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 707.

No provision of this Indenture shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 605. Trustee May Enforce Claims Without Possession of Notes. All rights of action and claims under this Indenture or the Notes may be prosecuted and enforced by the Trustee without the possession of any of the Notes or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Notes in respect of which such judgment has been recovered.

Section 606. Application of Money Collected. Any money collected by the Trustee pursuant to this Article 6 shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal (or premium, if any) or interest, upon presentation of the Notes and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

First: To the payment of all amounts due the Trustee under Section 707;

Second: To the payment of the amounts then due and unpaid upon the Notes for principal (and premium, if any) and interest, in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Notes for principal (and premium, if any) and interest, respectively; and

Third: to the Company,

Section 607. Limitation on Suits. No Holder may pursue any remedy with respect to this Indenture or the Notes unless:

(i) such Holder has previously given the Trustee written notice that an Event of Default is continuing;

- (ii) Holders of at least 25% in principal amount of the Outstanding Notes have requested the Trustee in writing to pursue the remedy;
- (iii) such Holder or Holders have offered to the Trustee reasonable security or indemnity against any loss, liability or expense;
- (iv) the Trustee has not complied with the request within 60 days after receipt of the request and the offer of security or indemnity; and
- (v) the Holders of a majority in principal amount of the Outstanding Notes have not given the Trustee a direction inconsistent with the request within such 60-day period.

A Holder may not use this Indenture to affect, disturb or prejudice the rights of another Holder, to obtain a preference or priority over another Holder or to enforce any right under this Indenture except in the manner herein provided and for the equal and ratable benefit of all Holders.

Section 608. Unconditional Right of Holders To Receive Principal and Interest Notwithstanding any other provision in this Indenture, the Holder of any Note shall have the absolute and unconditional right to receive payment of the principal of and all (subject to Section 307) interest on such Note on the respective Stated Maturity or Interest Payment Dates expressed in such Note and to institute suit for the enforcement of any such payment on or after such respective Stated Maturity or Interest Payment Dates, and such right shall not be impaired without the consent of such Holder.

Section 609. Restoration of Rights and Remedies. If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture or any Note and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case the Company, any other obligor upon the Notes, the Trustee and the Holders shall, subject to any determination in such proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

Section 610. Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 611. Delay or Omission Not Waiver. No delay or omission of the Trustee or of any Holder of any Note to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article 6 or by law to the Trustee

or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 612. Control by Holders. The Holders of not less than a majority in aggregate principal amount of the Outstanding Notes shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee, *provided that*

- (1) such direction shall not be in conflict with any rule of law or with this Indenture, and
- (2) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or, subject to Section 701, that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability; *provided, however*, that the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction. Prior to taking any action under this Indenture, the Trustee shall be entitled to indemnification satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action. This Section 612 shall be in lieu of § 316(a)(1)(A) of the TIA, and such § 316(a)(1)(A) of the TIA is hereby expressly excluded from this Indenture and the Notes, as permitted by the TIA.

Section 613. Waiver of Past Defaults. The Holders of not less than a majority in aggregate principal amount of the Outstanding Notes may on behalf of the Holders of all the Notes waive any past Default hereunder and its consequences, except a Default

- (1) in the payment of the principal of or interest on any Note (which may only be waived with the consent of each Holder of Notes affected), or
- (2) in respect of a covenant or provision hereof that pursuant to the second paragraph of Section 902 cannot be modified or amended without the consent of the Holder of each Outstanding Note affected.

Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon. In case of any such waiver, the Company, any other obligor upon the Notes, the Trustee and the Holders shall be restored to their former positions and rights hereunder and under the Notes, respectively. This paragraph of this Section 613 shall be in lieu of § 316(a)(1)(B) of the TIA and such § 316(a)(1)(B) of the TIA is hereby expressly excluded from this Indenture and the Notes, as permitted by the TIA.

Section 614. Undertaking for Costs. All parties to this Indenture agree, and each Holder of any Note by such Holder's acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy

under this Indenture or the Notes, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant. This Section 614 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of the Outstanding Notes, or to any suit instituted by any Holder for the enforcement of the payment of the principal of (or premium, if any) or interest on any Note on or after the respective Stated Maturity or Interest Payment Dates expressed in such Note.

Section 615. Waiver of Stay, Extension or Usury Laws. The Company (to the extent that it may lawfully do so) shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any usury or other similar law wherever enacted, now or at any time hereafter in force, that would prohibit or forgive the Company from paying all or any portion of the principal of (or premium, if any) or interest on the Notes contemplated herein or in the Notes or that may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE VII THE TRUSTEE

Section 701. Certain Duties and Responsibilities

(a) Except during the continuance of an Event of Default,

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions that by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture, but need not verify the contents thereof.

(b) In case an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that (i) this paragraph does not limit the effect of Section 701(a); (ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and (iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 612.

(d) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds to believe that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(e) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of Sections 701 and 703 hereof.

Section 702. Notice of Defaults. If a Default occurs and is continuing and is known to the Trustee, the Trustee must mail within 90 days after it occurs, to all Holders as their names and addresses appear in the Note Register, notice of such Default hereunder known to the Trustee unless such Default shall have been cured or waived; *provided, however,* that, except in the case of a Default in the payment of the principal of, premium, if any, or interest on any Note, the Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee or a trust committee of Responsible Officers of the Trustee in good faith determines that the withholding of such notice is in the interests of the Holders.

Section 703. Certain Rights of Trustee. Subject to the provisions of Section 701:

(1) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(2) any request or direction of the Company mentioned herein shall be sufficiently evidenced by a Company Request or Company Order thereof, and any resolution of any Person's board of directors shall be sufficiently evidenced if certified by an Officer of such Person as having been duly adopted and being in full force and effect on the date of such certificate;

(3) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's Certificate of the Company;

(4) the Trustee may consult with counsel and the written advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(5) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(6) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, other evidence of indebtedness or other paper or document; and

(7) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(8) the Trustee shall not be liable for any error of judgment made in good faith by an Officer unless it is proved that the Trustee was negligent in ascertaining pertinent facts;

(9) unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company shall be sufficient if signed by an Officer. The Trustee may request from the Company delivery of an Officer's Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take any specified actions pursuant to this Indenture, which Officer's Certificate may be signed by any Person authorized to sign an Officer's Certificate, including any Person specified as so authorized in any such Officer's Certificate previously delivered and not superseded; and

(10) the right of the Trustee to perform any discretionary act enumerated in this Indenture shall not be construed as a duty, and the Trustee shall not be answerable for other than its gross negligence or willful misconduct in the performance of such act.

Section 704. Not Responsible for Recitals or Issuance of Notes The recitals contained herein and in the Notes, except the Trustee's certificates of authentication, shall be taken as the statements of the Company, and neither the Trustee nor any Authenticating Agent assumes any responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Notes, except that the Trustee represents that it is duly authorized to execute and deliver this Indenture, authenticate the Notes and perform its obligations hereunder and that the statements made by it in a Statement of Eligibility and Qualification on Form T-1 supplied to the Company and any other obligor upon the Notes in connection with the registration of any Notes and any Note Guarantees issued hereunder are and will be

true and accurate subject to the qualifications set forth therein. Neither the Trustee nor any Authenticating Agent shall be accountable for the use or application by the Company of the Notes or the proceeds thereof.

Section 705. May Hold Notes. The Trustee, any Authenticating Agent, any Paying Agent, any Note Registrar or any other agent of the Company, in its individual or any other capacity, may become the owner or pledgee of Notes and, subject to Section 708 and Section 713, may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee, Authenticating Agent, Paying Agent, Note Registrar or such other agent.

Section 706. Money Held in Trust. Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder except as otherwise agreed in writing with the Company.

Section 707. Compensation and Reimbursement. The Company agrees,

(1) to pay to the Trustee from time to time reasonable compensation for all services rendered by the Trustee hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(2) and the Note Guarantors agree, except as otherwise expressly provided herein, to reimburse the Trustee upon its request for all reasonable out-of-pocket expenses incurred or made by the Trustee in accordance with any provision of this Indenture (including costs of collection, costs of preparing and reviewing reports, certificates and other documents, costs of preparation and mailing of notice to Holders, and the reasonable compensation, fees and the expenses and disbursements of its agents and counsel retained by the Trustee in connection with the delivery of an Opinion of Counsel or otherwise, in addition to such compensation for its services), except any such expense, disbursement or advance as may be attributable to its negligence or bad faith. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the Trustee's agents, counsel, accountants and experts. The Trustee shall provide the Company reasonable notice of any expenditure not in the ordinary course of business; provided, that prior approval by the Company of any such expenditure shall not be a requirement for the making of such expenditure nor for the reimbursement by the Company therefore; and

(3) to indemnify the Trustee for, and to hold it harmless against, any loss, liability or expense incurred without negligence or bad faith on the Trustee's part, arising out of or in connection with the administration of the trust or trusts hereunder, including the costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder.

The Company need not pay for any settlement made without its consent.

(4) The payment obligations of the Company and the Note Guarantors pursuant to this Section 707 shall survive the resignation or removal of the Trustee and any discharge of this Indenture including any discharge under any Bankruptcy Law. When the Trustee incurs expenses after the occurrence of a Default specified in Section 601(viii) or 601(ix), the expenses are intended to constitute expenses of administration under the Bankruptcy Law.

Section 708. Conflicting Interests. If the Trustee has or shall acquire a conflicting interest within the meaning of the TIA, the Trustee shall eliminate such interest, apply to the SEC for permission to continue as Trustee with such conflict or resign, to the extent and in the manner provided by, and subject to the provisions of, the TIA and this Indenture. To the extent permitted by the TIA, the Trustee shall not be deemed to have a conflicting interest by virtue of being a trustee under this Indenture with respect to Original Notes and Additional Notes, or a trustee under any other indenture between the Company and the Trustee.

Section 709. Corporate Trustee Required; Eligibility. There shall at all times be one (and only one) Trustee hereunder. The Trustee shall be a Person that is eligible pursuant to the TIA to act as such and has a combined capital and surplus of at least \$50,000,000. If any such Person publishes reports of condition at least annually, pursuant to law or to the requirements of its supervising or examining authority, then for the purposes of this Section 709 and to the extent permitted by the TIA, the combined capital and surplus of such Person shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 709, it shall resign immediately in the manner and with the effect hereinafter specified in this Article.

Section 710. Resignation and Removal; Appointment of Successor. No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee in accordance with the applicable requirements of Section 711.

The Trustee may resign at any time by giving written notice thereof to the Company. If the instrument of acceptance by a successor Trustee required by Section 711 shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee.

The Trustee may be removed at any time by Act of the Holders of a majority in principal amount of the Outstanding Notes, delivered to the Trustee and to the Company.

If at any time:

(1) the Trustee shall fail to comply with Section 708 after written request therefor by the Company or by any Holder who has been a bona fide Holder of a Note for at least six months, or

(2) the Trustee shall cease to be eligible under Section 709 and shall fail to resign after written request therefor by the Company or by any such Holder, or

(3) the Trustee shall become incapable of acting or shall be adjudged bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then, in any such case, (A) the Company may remove the Trustee, or (B) subject to Section 614, any Holder who has been a bona fide Holder of a Note for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee or Trustees.

If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause, the Company shall promptly appoint a successor Trustee and shall comply with the applicable requirements of Section 711. If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee shall be appointed by Act of the Holders of a majority in principal amount of the Outstanding Notes delivered to the Company and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment in accordance with the applicable requirements of Section 711, become the successor Trustee and to that extent supersede the successor Trustee appointed by the Company. If no successor Trustee shall have been so appointed by the Company or the Holders and shall have accepted appointment in the manner required by Section 711, then, subject to Section 614, any Holder who has been a bona fide Holder of a Note for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

The Company shall give notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee to all Holders in the manner provided in Section 110. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office.

Section 711. Acceptance of Appointment by Successor. In case of the appointment hereunder of a successor Trustee, every such successor Trustee so appointed shall execute, acknowledge and deliver to the Company and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on the request of the Company or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder.

Upon request of any such successor Trustee, the Company shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts referred to above.

No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article 7.

Section 712. Merger, Conversion, Consolidation or Succession to Business Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, *provided* such corporation shall be otherwise qualified and eligible under this Article 7, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Notes shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes.

Section 713. Preferential Collection of Claims Against the Company. If and when the Trustee shall be or become a creditor of the Company (or any other obligor upon the Notes), the Trustee shall be subject to the provisions of the TIA regarding the collection of claims against the Company (or any such other obligor) or realizing on certain property received by it in respect of such claims.

Section 714. Appointment of Authenticating Agent. The Trustee may appoint an Authenticating Agent acceptable to the Company to authenticate the Notes. Any such appointment shall be evidenced by an instrument in writing signed by a Trust Officer, a copy of which instrument shall be promptly furnished to the Company. Unless limited by the terms of such appointment, an Authenticating Agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication (or execution of a certificate of authentication) by the Trustee includes authentication (or execution of a certificate of authentication) by such Authenticating Agent. An Authenticating Agent has the same rights as any Note Registrar, Paying Agent or agent for service of notices and demands.

ARTICLE VIII

HOLDERS' LISTS AND REPORTS BY TRUSTEE AND THE COMPANY

Section 801. The Company To Furnish Trustee Names and Addresses of Holders The Company will furnish or cause to be furnished to the Trustee

(1) semi-annually, not more than 10 days after each Regular Record Date, a list, in such form as the Trustee may reasonably require, of the names and addresses of the Holders as of such Regular Record Date, and

(2) at such other times as the Trustee may request in writing, within 30 days after the receipt by the Company of any such request, a list of similar form and content as of a date not more than 15 days prior to the time such list is furnished;

provided, however, that if and so long as the Trustee shall be the Note Registrar, no such list need be furnished pursuant to this Section 801.

Section 802. Preservation of Information: Communications to Holders. The Trustee shall preserve, in as current a form as is reasonably practicable, the names and addresses of Holders contained in the most recent list, if any, furnished to the Trustee as provided in Section 801 and the names and addresses of Holders received by the Trustee in its capacity as Note Registrar; *provided, however*, that if and so long as the Trustee shall be the Note Registrar, the Note Register shall satisfy the requirements relating to such list. None of the Company, any Note Guarantor or the Trustee or any other Person shall be under any responsibility with regard to the accuracy of such list. The Trustee may destroy any list furnished to it as provided in Section 801 upon receipt of a new list so furnished.

The rights of Holders to communicate with other Holders with respect to their rights under this Indenture or under the Notes, and the corresponding rights and privileges of the Trustee, shall be as provided by the TIA.

Every Holder of Notes, by receiving and holding the same, agrees with the Company and the Trustee that neither the Company nor the Trustee, nor any agent of either of them, shall be held accountable by reason of any disclosure of information as to names and addresses of Holders made pursuant to the TIA.

Section 803. Reports by Trustee. The Trustee shall transmit to Holders such reports concerning the Trustee and its actions under this Indenture as may be required pursuant to the TIA at the times and in the manner provided pursuant thereto. A copy of each such report shall, at the time of such transmission to Holders, be filed by the Trustee with each stock exchange upon which any Notes are listed, with the SEC and with the Company. The Company will notify the Trustee when any Notes are listed on any stock exchange.

ARTICLE IX

AMENDMENT, SUPPLEMENT OR WAIVER

Section 901. Without Consent of Holders. Without the consent of the Holders of any Notes, the Company, the Trustee and (as applicable) any Note Guarantor may amend or supplement this Indenture or the Notes, for any of the following purposes:

- (1) to cure any ambiguity, omission, defect or inconsistency,
- (2) to provide for the assumption by a Successor Company of the obligations of the Company or a Note Guarantor under this Indenture,
- (3) to provide for uncertificated Notes in addition to or in place of certificated Notes,
- (4) to add Guarantees with respect to the Notes, to secure the Notes, to confirm and evidence the release, termination or discharge of any Guarantee or Lien with respect

to or securing the Notes when such release, termination or discharge is provided for under this Indenture,

- (5) to add to the covenants of the Company for the benefit of the Holders or to surrender any right or power conferred upon the Company,
- (6) to provide for or confirm the issuance of Additional Notes,
- (7) to make any change that does not materially adversely affect the rights of any Holder under the Notes or this Indenture, or
- (8) to comply with any requirement of the SEC in connection with the qualification of this Indenture under the TIA or otherwise.

Section 902. With Consent of Holders. Subject to Section 608, the Company, the Trustee and (if applicable) each Note Guarantor may amend or supplement this Indenture or the Notes with the written consent of the Holders of a majority in aggregate principal amount of the Outstanding Notes (including consents obtained in connection with a tender offer or exchange offer for Notes), and the Holders of not less than a majority in aggregate principal amount of the Outstanding Notes by written notice to the Trustee (including consents obtained in connection with a tender offer or exchange offer for Notes) may waive any existing Default or Event of Default or compliance by the Company or any Note Guarantor with any provision of this Indenture, the Notes or any Note Guarantee.

Notwithstanding the provisions of this Section 902, without the consent of each Holder affected thereby, an amendment or waiver, including a waiver pursuant to Section 613, may not:

- (i) reduce the principal amount of the Notes whose Holders must consent to an amendment or waiver;
- (ii) reduce the rate of or extend the time for payment of interest on any Note;
- (iii) reduce the principal or extend the Stated Maturity of any Note;
- (iv) reduce the premium payable upon the redemption of any Note or change the date on which any Note may be redeemed as described in Section 1001;
- (v) make any Note payable in money other than that stated in such Note;
- (vi) impair the right of any Holder to receive payment of principal of and interest on such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any such payment on or with respect to such Holder's Notes; or
- (vii) make any change in the amendment or waiver provisions described in this paragraph.

It shall not be necessary for the consent of the Holders under this Section 902 to approve the particular form of any proposed amendment, supplement or waiver, but it shall be sufficient if such consent approves the substance thereof.

An amendment, supplement or waiver under this Section will become effective on receipt by the Trustee of written consents from the Holders of the requisite percentage in principal amount of the outstanding Notes or an Officer's Certificate certifying that such consents have been obtained. After an amendment, supplement or waiver under this Section 902 becomes effective, the Company shall mail to the Holders, with a copy to the Trustee, a notice briefly describing the amendment, supplement or waiver. Any failure of the Company to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any supplemental indenture or the effectiveness of any such amendment, supplement or waiver.

Section 903. Execution of Amendments, Supplements or Waivers. The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article 9 if the amendment, supplement or waiver does not adversely affect the rights, duties, liabilities or immunities of the Trustee. If it does, the Trustee may, but need not, sign it. In signing or refusing to sign such amendment, supplement or waiver, the Trustee shall be entitled to receive, and shall be fully protected in relying upon, an Officer's Certificate and an Opinion of Counsel to the effect that the execution of such amendment, supplement or waiver has been duly authorized, executed and delivered by the Company and that, subject to applicable bankruptcy, insolvency, fraudulent transfer, fraudulent conveyance, reorganization, moratorium and other laws now or hereinafter in effect affecting creditors' rights or remedies generally and the general principles of equity (including standards of materiality, good faith, fair dealing and reasonableness), whether considered in a proceeding at law or at equity, such amendment, supplement or waiver is a valid and binding agreement of the Company, enforceable against the Company in accordance with its terms.

Section 904. Revocation and Effect of Consents. Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder is a continuing consent by the Holder and every subsequent Holder of that Note or any Note that evidences all or any part of the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. Subject to the following paragraph of this Section 904, any such Holder or subsequent Holder may revoke the consent as to such Holder's Note by written notice to the Trustee or the Company, received by the Trustee or the Company, as the case may be, before the date on which the Trustee receives an Officer's Certificate certifying that the Holders of the requisite principal amount of Notes have consented (and not theretofore revoked such consent) to the amendment, supplement or waiver. The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement or waiver as set forth in Section 108.

After an amendment, supplement or waiver becomes effective, it shall bind every Holder of Notes, unless it makes a change described in any of clauses (i) through (viii) of the second paragraph of Section 902. In that case, the amendment, supplement or waiver shall bind each Holder of a Note who has consented to it and every subsequent Holder of such Note or any Note that evidences all or any part of the same debt as the consenting Holder's Note.

Section 905. Conformity with TIA. Every amendment or supplemental indenture executed pursuant to this Article shall conform to the requirements of the TIA as then in effect.

Section 906. Notation on or Exchange of Notes. If an amendment, supplement or waiver changes the terms of a Note, the Trustee shall (if required by the Company and in accordance with the specific direction of the Company) request the Holder of the Note to deliver it to the Trustee. The Trustee shall (if required by the Company and in accordance with the specific direction of the Company) place an appropriate notation on the Note about the changed terms and return it to the Holder. Alternatively, if the Company or the Trustee so determines, the Company in exchange for the Note shall issue and the Trustee shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

ARTICLE X
REDEMPTION OF NOTES

Section 1001. Right of Redemption.

(a) The Notes will be redeemable, at the Company's option, in whole or in part, and from time to time on and after October 1, 2014 and prior to maturity at the redemption prices set forth below. Such redemption may be made upon notice mailed by first-class mail to each Holder's registered address in accordance with Section 1005. The Company may provide in such notice that payment of the redemption price and the performance of the Company's obligations with respect to such redemption may be performed by another Person. Any such redemption and notice may, in the Company's discretion, be subject to the satisfaction of one or more conditions precedent, including but not limited to the occurrence of a Change of Control. The Notes will be so redeemable at the following redemption prices (expressed as a percentage of principal amount), plus accrued and unpaid interest, if any, to the relevant Redemption Date (subject to Section 307), if redeemed during the 12-month period commencing on October 1 of the years set forth below:

<u>Period</u>	<u>Redemption Price</u>
2014	103.938%
2015	101.969%
2016 and thereafter	100.000%

(b) In addition, at any time and from time to time on or prior to October 1, 2013, the Company, at its option, may redeem the Notes in an aggregate principal amount equal to up to 35% of the original aggregate principal amount of the Notes (including the principal amount of any Additional Notes), with funds in an aggregate amount (the "Redemption Amount") not exceeding the aggregate cash proceeds of one or more Equity Offerings, at a Redemption Price (expressed as a percentage of principal amount thereof) of 107.875% plus accrued and unpaid interest, if any, to the Redemption Date (subject to Section 307); *provided, however*, that an aggregate principal amount of the Notes equal to at least 65% of the original

aggregate principal amount of the Notes (including the principal amount of any Additional Notes) must remain Outstanding after each such redemption. The Company may make such redemption upon notice mailed by first-class mail to each Holder's registered address in accordance with Section 1005 (but in no event more than 180 days after the completion of the related Equity Offering). The Company may provide in such notice that payment of the redemption price and performance of the Company's obligations with respect to such redemption may be performed by another Person. Any such notice may be given prior to the completion of the related Equity Offering, and any such redemption or notice may, at the Company's discretion, be subject to the satisfaction of one or more conditions precedent, including the completion of the related Equity Offering.

(c) At any time prior to October 1, 2014, the Notes may also be redeemed or purchased (by the Company or any other Person) in whole or in part, at the Company's option, at a price (the "Redemption Price") equal to 100% of the principal amount thereof plus the Applicable Premium as of, and accrued but unpaid interest, if any, to, the date of redemption or purchase (the "Redemption Date") (subject to Section 307). Such redemption or purchase may be made upon notice mailed by first-class mail to each Holder's registered address, not less than 30 nor more than 60 days prior to the Redemption Date. The Company may provide in such notice that payment of the Redemption Price and performance of the Company's obligations with respect to such redemption or purchase may be performed by another Person. Any such redemption, purchase or notice may, at the Company's discretion, be subject to the satisfaction of one or more conditions precedent, including but not limited to the occurrence of a Change of Control.

"Applicable Premium" means, with respect to a Note at any Redemption Date, the greater of (i) 1.00% of the principal amount of such Note and (ii) the excess of (A) the present value at such Redemption Date of (1) the redemption price of such Note on October 1, 2014 (such redemption price being that described in Section 1001(a)) plus (2) all required remaining scheduled interest payments due on such Note through such date, computed using a discount rate equal to the Treasury Rate plus 50 basis points, over (B) the principal amount of such Note on such Redemption Date. Calculation of the Applicable Premium will be made by the Company or on behalf of the Company by such Person as the Company shall designate; *provided* that such calculation shall not be a duty or obligation of the Trustee.

"Treasury Rate" means, with respect to a Redemption Date, the yield to maturity at the time of computation of United States Treasury securities with a constant maturity (as compiled and published in the most recent Federal Reserve Statistical Release H.15(519) that has become publicly available at least two Business Days prior to such Redemption Date (or, if such Statistical Release is no longer published, any publicly available source of similar market data)) most nearly equal to the period from such Redemption Date to October 1, 2014; *provided, however*, that if the period from the Redemption Date to such date is not equal to the constant maturity of a United States Treasury security for which a weekly average yield is given, the Treasury Rate shall be obtained by linear interpolation (calculated to the nearest one-twelfth of a year) from the weekly average yields of United States Treasury securities for which such yields are given, except that if the period from the Redemption Date to such date is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year shall be used.

Section 1002. Applicability of Article. Redemption or purchase of Notes as permitted by Section 1001 shall be made in accordance with this Article 10.

Section 1003. Election To Redeem; Notice to Trustee. In case of any redemption at the election of the Company of less than all of the Notes, the Company shall, at least 30 days prior to the Redemption Date initially fixed by the Company (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee of such Redemption Date and of the principal amount of Notes to be redeemed.

Section 1004. Selection by Trustee of Notes To Be Redeemed. In the case of any partial redemption, selection of the Notes for redemption will be made by the Trustee not more than 60 days prior to the Redemption Date on a *pro rata* basis, by lot or by such other method as the Trustee in its sole discretion shall deem to be fair and appropriate, although no Note of \$2,000 in original principal amount or less will be redeemed in part.

The Trustee shall promptly notify the Company in writing of the Notes selected for redemption and, in the case of any Note selected for partial redemption, the principal amount thereof to be redeemed. On and after the Redemption Date, interest will cease to accrue on Notes or portions thereof called for redemption.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Notes shall relate, in the case of any Note redeemed or to be redeemed only in part, to the portion of the principal of such Note that has been or is to be redeemed.

Section 1005. Notice of Redemption. Notice of redemption or purchase as provided in Section 1001 shall be given by first-class mail, postage prepaid, mailed not less than 30 nor more than 60 days prior to the Redemption Date, to each Holder of Notes to be redeemed, at such Holder's address appearing in the Note Register.

Any such notice shall state:

- (1) the expected Redemption Date,
- (2) the redemption price,
- (3) if less than all Outstanding Notes are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Notes to be redeemed,
- (4) that, on the Redemption Date, the redemption price will become due and payable upon each such Note, and that, unless the Company defaults in making such redemption payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest thereon shall cease to accrue from and after said date, and

(5) the place where such Notes are to be surrendered for payment of the redemption price.

In addition, if such redemption, purchase or notice is subject to satisfaction of one or more conditions precedent, as permitted by Section 1001, such notice shall describe each such condition, and if applicable, shall state that, in the Company's discretion, the Redemption Date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption or purchase may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the Redemption Date, or by the Redemption Date as so delayed.

The Company may provide in such notice that payment of the redemption price and the performance of the Company's obligations with respect to such redemption may be performed by another Person.

Notice of such redemption or purchase of Notes to be so redeemed or purchased at the election of the Company shall be given by the Company or, at the Company's request (made to the Trustee at least 40 days (or such shorter period as shall be satisfactory to the Trustee) prior to the Redemption Date), by the Trustee in the name and at the several expense of the Company.

The notice if mailed in the manner herein provided shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to give such notice by mail or any defect in the notice to the Holder of any Note designated for redemption as a whole or in part shall not affect the validity of the proceedings for the redemption of any other Note.

Section 1006. Deposit of Redemption Price. On or prior to any Redemption Date, the Company shall deposit with the Trustee or with a Paying Agent (or, if the Company is acting as its own Paying Agent, the Company shall segregate and hold in trust as provided in Section 403) an amount of money sufficient to pay the redemption price of, and any accrued and unpaid interest on, all the Notes or portions thereof which are to be redeemed on that date.

Section 1007. Notes Payable on Redemption Date. Notice of redemption having been given as provided in this Article 10, the Notes so to be redeemed shall, on the Redemption Date, become due and payable at the redemption price herein specified and from and after such date (unless the Company shall default in the payment of the redemption price or the Paying Agent is prohibited from paying the redemption price pursuant to the terms of this Indenture) such Notes shall cease to bear interest. Upon surrender of such Notes for redemption in accordance with such notice, such Notes shall be paid by the Company at the redemption price. Installments of interest whose Interest Payment Date is on or prior to the Redemption Date shall be payable to the Holders of such Notes registered as such on the relevant Regular Record Dates according to their terms and the provisions of Section 307.

On and after any Redemption Date, if money sufficient to pay the redemption price of and any accrued and unpaid interest on Notes called for redemption shall have been made available in accordance with Section 1006, the Notes (or the portions thereof) called for

redemption will cease to accrue interest and the only right of the Holders of such Notes (or portions thereof) will be to receive payment of the redemption price of and subject to the last sentence of the preceding paragraph, any accrued and unpaid interest on such Notes (or portions thereof) to the Redemption Date. If any Note (or portion thereof) called for redemption shall not be so paid upon surrender thereof for redemption, the principal (and premium, if any) shall, until paid, bear interest from the Redemption Date at the rate borne by the Note (or portion thereof).

Section 1008. Notes Redeemed in Part. Any Note that is to be redeemed only in part shall be surrendered at the Place of Payment (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder thereof or his attorney duly authorized in writing) and the Company shall execute and the Trustee shall authenticate and deliver to the Holder of such Note without service charge, a new Note or Notes, of any authorized denomination as requested by such Holder in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Note so surrendered.

ARTICLE XI

SATISFACTION AND DISCHARGE

Section 1101. Satisfaction and Discharge of Indenture. This Indenture will be discharged and cease to be of further effect (except as to any surviving rights of registration of or transfer or exchange of Notes herein expressly provided for), and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture, when

(i) either

(a) all Notes previously authenticated and delivered (other than (i) Notes that have been destroyed, lost or stolen and that have been replaced or paid as provided in Section 306, and (ii) Notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust, as provided in Section 403) have been delivered to the Trustee cancelled or for cancellation; or

(b) all such Notes not previously delivered to the Trustee cancelled or for cancellation

(1) have become due and payable, or

(2) will become due and payable at their Stated Maturity within one year, or

(3) have been or are to be called for redemption within one year under arrangements reasonably satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company,

(ii) the Company has irrevocably deposited or caused to be deposited with the Trustee an amount in United States dollars, U.S. Government Obligations, or a combination thereof, sufficient (without reinvestment) to pay and discharge the entire Indebtedness on such Notes not previously delivered to the Trustee cancelled or for cancellation, for principal (and premium, if any) and interest to the date of such deposit (in the case of Notes that have become due and payable), or to the Stated Maturity or Redemption Date, as the case may be;

(iii) the Company has paid or caused to be paid all other sums then payable hereunder by the Company; and

(iv) the Company has delivered to the Trustee an Officer's Certificate of the Company and an Opinion of Counsel each to the effect that all conditions precedent provided for in this Section 1101 relating to the satisfaction and discharge of this Indenture have been complied with, *provided* that any such counsel may rely on any Officer's Certificate as to matters of fact (including as to compliance with the foregoing clauses (i), (ii) and (iii)).

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Company to the Trustee under Section 707 and, if money shall have been deposited with the Trustee pursuant to Section 1101(ii), the obligations of the Trustee under Section 1102, shall survive.

Section 1102. Application of Trust Money. Subject to the provisions of the last paragraph of Section 403, all money deposited with the Trustee pursuant to Section 1101 shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest on the Notes; but such money need not be segregated from other funds except to the extent required by law.

ARTICLE XII

DEFEASANCE OR COVENANT DEFEASANCE

Section 1201. The Company's Option To Effect Defeasance or Covenant Defeasance. The Company may, concurrently (and not separately) at its option, at any time, elect to have terminated the obligations of the Company with respect to Outstanding Notes and to have terminated all of the obligations of the Note Guarantors, with respect to the Note Guarantees, in each case, as set forth in this Article 12, and elect to have either Section 1202 or Section 1203 be applied to all of the Outstanding Notes (the "Defeased Notes"), upon compliance with the conditions set forth below in Section 1204. Either Section 1202 or Section 1203 may be applied to the Defeased Notes to any Redemption Date or the Stated Maturity of the Notes.

Section 1202. Defeasance and Discharge. Upon the Company's exercise under Section 1201 of the option applicable to this Section 1202, the Company shall be deemed to have been released and discharged from its obligations with respect to the Defeased Notes on the date the relevant conditions set forth in Section 1204 below are satisfied (hereinafter, "Defeasance").

For this purpose, such Defeasance means that the Company shall be deemed to have paid and discharged the entire indebtedness represented by the Defeased Notes, which shall thereafter be deemed to be “Outstanding” only for the purposes of Section 1205 and the other Sections of this Indenture referred to in clauses (a) and (b) below, and the Company and each of the Note Guarantors shall be deemed to have satisfied all other obligations under such Notes and this Indenture insofar as such Notes are concerned (and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following, which shall survive until otherwise terminated or discharged hereunder: (a) the rights of Holders of Defeased Notes to receive, solely from the trust fund described in Section 1204 and as more fully set forth in such Section, payments in respect of the principal of and premium, if any, and interest on such Notes when such payments are due, (b) the Company’s obligations with respect to such Defeased Notes under Sections 304, 305, 306, 402 and 403, (c) the rights, powers, trusts, duties and immunities of the Trustee hereunder, including the Trustee’s rights under Section 707, and (d) this Article 12. If the Company exercises its option under this Section 1202, payment of the Notes may not be accelerated because of an Event of Default with respect thereto. Subject to compliance with this Article 12, the Company may, at its option and at anytime, exercise its option under this Section 1202 notwithstanding the prior exercise of its option under Section 1203 with respect to the Notes.

Section 1203. Covenant Defeasance. Upon the Company’s exercise under Section 1201 of the option applicable to this Section 1203, (a) the Company and the Note Guarantors shall be released from their respective obligations under any covenant or provision contained in Section 405 and Sections 407 through 415 and the provisions of clauses (iii), (iv) and (v) of Section 501(a) shall not apply, and (b) the occurrence of any event specified in clause (iv), (v) (with respect to Section 405 and Sections 407 through 415, inclusive), (vi), (vii), (viii) (with respect to Subsidiaries), (ix) (with respect to Subsidiaries), (x) or (xi) of Section 601 shall be deemed not to be or result in an Event of Default, in each case with respect to the Defeased Notes on and after the date the conditions set forth below are satisfied (hereinafter, “Covenant Defeasance”), and the Notes shall thereafter be deemed not to be “Outstanding” for the purposes of any direction, waiver, consent or declaration or Act of Holders (and the consequences of any thereof) in connection with such covenants or provisions, but shall continue to be deemed “Outstanding” for all other purposes hereunder. For this purpose, such Covenant Defeasance means that, with respect to the Outstanding Notes, the Company and the Subsidiary Guarantors may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant or provision, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or provision or by reason of any reference in any such covenant or provision to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 601, but, except as specified above, the remainder of this Indenture and such Outstanding Notes shall be unaffected thereby.

Section 1204. Conditions to Defeasance or Covenant Defeasance. The following shall be the conditions to application of either Section 1202 or Section 1203 to the Outstanding Notes:

(1) The Company shall have irrevocably deposited or caused to be deposited with the Trustee in trust cash, in United States dollars, or U.S. Government Obligations or a combination thereof, in amounts as will be sufficient (without reinvestment), to pay and discharge the principal of, and premium, if any, and interest on the Defeased Notes on the Stated Maturity or relevant Redemption Date in accordance with the terms of this Indenture and the Notes;

(2) No Default or Event of Default shall have occurred and be continuing on the date of such deposit;

(3) Such deposit shall not result in a breach or violation of, or constitute a Default or Event of Default under, this Indenture or any other material agreement or instrument to which the Company is a party or by which it is bound;

(4) In the case of an election under Section 1202, the Company shall have delivered to the Trustee an Opinion of Counsel from Alston & Bird LLP or other counsel in the United States to the effect that (x) the Company has received from, or there has been published by, the Internal Revenue Service a ruling or (y) since the Issue Date, there has been a change in the applicable Federal income tax law, in either case to the effect that, and based thereon such opinion shall confirm to the effect that, the Holders of the Outstanding Notes will not recognize income, gain or loss for Federal income tax purposes as a result of such Defeasance and will be subject to Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Defeasance had not occurred;

(5) In the case of an election under Section 1203, the Company shall have delivered to the Trustee an Opinion of Counsel from Alston & Bird LLP or other counsel in the United States to the effect that the Holders of the Outstanding Notes will not recognize income, gain or loss for Federal income tax purposes as a result of such Covenant Defeasance and will be subject to Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred; and

(6) The Company shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each to the effect that all conditions precedent provided for in this Section 1204 relating to either the Defeasance under Section 1202 or the Covenant Defeasance under Section 1203, as the case may be, have been complied with. In rendering such Opinion of Counsel, counsel may rely on any Officer's Certificate as to compliance with the foregoing clauses (1), (2) and (3) of this Section 1204 or as to any matters of fact.

Section 1205. Deposited Money and U.S. Government Obligations To Be Held in Trust; Other Miscellaneous Provisions Subject to the provisions of the last paragraph of Section 403, all money and U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee (or such other Person that would qualify to act as successor trustee under Article 7, collectively and solely for purposes of this Section 1205, the "Trustee") pursuant to Section 1204 in respect of the Defeased Notes shall be held in trust and applied by the Trustee, in

accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest, but such money need not be segregated from other funds except to the extent required by law.

The Company shall pay and indemnify the Trustee and its agents and hold them harmless against any tax, fee or other charge imposed on or assessed against the U.S. Government Obligations deposited pursuant to Section 1204, or the principal, premium, if any, and interest received in respect thereof, other than any such tax, fee or other charge that by law is for the account of the Holders of the Defeased Notes.

Anything in this Article 12, to the contrary notwithstanding, the Trustee shall deliver to the Company from time to time, upon Company Request, any money or U.S. Government Obligations held by it as provided in Section 1204 that, in the opinion of a nationally recognized accounting or investment banking firm expressed in a written certification thereof to the Trustee, are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Defeasance or Covenant Defeasance. Subject to Article 7, the Trustee shall not incur any liability to any Person by relying on such opinion.

Section 1206. Reinstatement. If the Trustee or Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with Section 1202 or 1203, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the obligations of the Company and each of the Note Guarantors under this Indenture, the Notes and the Note Guarantees shall be revived and reinstated as though no deposit had occurred pursuant to Section 1202 or 1203, as the case may be, until such time as the Trustee or Paying Agent is permitted to apply all such money and U.S. Government Obligations in accordance with Section 1202 or 1203, as the case may be; *provided, however*, that if the Company or any Note Guarantor makes any payment of principal, premium, if any, or interest on any Note following the reinstatement of its obligations, the Company or Note Guarantor, as the case may be, shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money and U.S. Government Obligations held by the Trustee or Paying Agent.

Section 1207. Repayment to the Company. The Trustee shall pay to the Company upon Company Request any money held by it for the payment of principal or interest that remains unclaimed for two years. After payment to the Company, Holders entitled to money must look to the Company for payment as general creditors unless an applicable abandoned property law designates another Person and all liability of the Trustee or Paying Agent with respect to such money shall thereupon cease.

ARTICLE XIII
NOTE GUARANTEES

Section 1301. Guarantees Generally.

(a) Parent Guarantees. Each of Holding and GPC, as primary obligor and not merely as surety, hereby irrevocably and fully and unconditionally, jointly and severally Guarantees (each, a "Parent Guarantee," and each of Holding and GPC in such capacity, a "Parent Guarantor"), on an unsecured senior basis, the punctual payment when due, whether at Stated Maturity, by acceleration or otherwise, of all monetary obligations of the Company under this Indenture and the Notes, whether for principal of or interest on the Notes, expenses, indemnification or otherwise (all such obligations guaranteed by each Parent Guarantor being herein called the "Parent Guaranteed Obligations").

(b) Guarantee of Each Subsidiary Guarantor. Each Subsidiary Guarantor, as primary obligor and not merely as surety, will jointly and severally, irrevocably and fully and unconditionally Guarantee, on an unsecured senior basis, the punctual payment when due, whether at Stated Maturity, by acceleration or otherwise, of all monetary obligations of the Company under this Indenture and the Notes, whether for principal of or interest on the Notes, expenses, indemnification or otherwise (all such obligations guaranteed by such Subsidiary Guarantors being herein called the "Subsidiary Guaranteed Obligations"; together with the Parent Guaranteed Obligations, the "Guaranteed Note Obligations").

The obligations of each Subsidiary Guarantor will be limited to the maximum amount, as will, after giving effect to all other contingent and fixed liabilities of such Subsidiary Guarantor and after giving effect to any collections from or payments made by or on behalf of any other Subsidiary Guarantor in respect of the obligations of such other Subsidiary Guarantor under its Subsidiary Guarantee or pursuant to its contribution obligations under this Indenture, result in the obligations of such Subsidiary Guarantor under the Subsidiary Guarantee not constituting a fraudulent conveyance or fraudulent transfer under applicable law, or being void or unenforceable under any law relating to insolvency of debtors.

(c) Further Agreements of Each Note Guarantor.

(i) Each Note Guarantor hereby agrees that (to the fullest extent permitted by law) its obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of this Indenture, the Notes or the obligations of the Company or any other Note Guarantor to the Holders or the Trustee hereunder or thereunder, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, any release of any other Note Guarantor, the recovery of any judgment against the Company, any action to enforce the same, whether or not a notation concerning its Note Guarantee is made on any particular Note, or any other circumstance that might otherwise constitute a legal or equitable discharge or defense of a guarantor.

(ii) Each Note Guarantor hereby waives (to the fullest extent permitted by law) the benefit of diligence, presentment, demand of payment, filing of claims with a court in

the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever and covenants that (except as otherwise provided in [Section 1303](#)) its Note Guarantee will not be discharged except by complete performance of the obligations contained in the Notes, this Indenture and this Note Guarantee. Such Note Guarantee is a guarantee of payment and not of collection. Each Note Guarantor further agrees (to the fullest extent permitted by law) that, as between it, on the one hand, and the Holders of Notes and the Trustee, on the other hand, subject to this [Article 13](#), (1) the maturity of the obligations guaranteed by its Note Guarantee may be accelerated as and to the extent provided in [Article 6](#) for the purposes of such Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed by such Note Guarantee, and (2) in the event of any acceleration of such obligations as provided in [Article 6](#), such obligations (whether or not due and payable) shall forthwith become due and payable by such Note Guarantor in accordance with the terms of this [Section 1301](#) for the purpose of such Note Guarantee. Neither the Trustee nor any other Person shall have any obligation to enforce or exhaust any rights or remedies or to take any other steps under any security for the Guaranteed Note Obligations or against the Company or any other Person or any property of the Company or any other Person before the Trustee is entitled to demand payment and performance by any or all Note Guarantors of their obligations under their respective Note Guarantees or under this Indenture.

(iii) Until terminated in accordance with [Section 1303](#), each Note Guarantee will remain in full force and effect and continue to be effective should any petition be filed by or against the Company for liquidation or reorganization, should the Company become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Company's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on such Notes, whether as a "voidable preference," "fraudulent transfer" or otherwise, all as though such payment or performance had not been made. In the event that any payment, or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

(d) Each Note Guarantor that makes a payment or distribution under its Note Guarantee shall have the right to seek contribution from the Company or any non-paying Note Guarantor that has also Guaranteed the relevant Guaranteed Note Obligations in respect of which such payment or distribution is made, so long as the exercise of such right does not impair the rights of the Holders under the Note Guarantees.

(e) Each Note Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that its Note Guarantee, and the waiver set forth in [Section 1305](#) are knowingly made in contemplation of such benefits.

(f) Each Note Guarantor, pursuant to its Note Guarantee, also hereby agrees to pay any and all reasonable out-of-pocket expenses (including reasonable counsel fees and expenses) incurred by the Trustee or the Holders in enforcing any rights under its Note Guarantee.

Section 1302. Continuing Guarantees.

(a) Each Note Guarantee shall be a continuing Guarantee and will (i) subject to Section 1303, remain in full force and effect until payment in full of the principal amount of all Outstanding Notes (whether by payment at maturity, purchase, redemption, defeasance, retirement or other acquisition) and all other Parent Guaranteed Obligations of the Parent Guarantor and Subsidiary Guaranteed Obligations of the Subsidiary Guarantor then due and owing, (ii) be binding upon such Note Guarantor and (iii) inure to the benefit of and be enforceable by the Trustee, the Holders and their permitted successors, transferees and assigns.

(b) The obligations of each Note Guarantor hereunder shall continue to be effective or shall be reinstated, as the case may be, if at any time any payment which would otherwise have reduced or terminated the obligations of any Note Guarantor hereunder and under its Note Guarantee (whether such payment shall have been made by or on behalf of the Company or by or on behalf of a Note Guarantor) is rescinded or reclaimed from any of the Holders upon the insolvency, bankruptcy, liquidation or reorganization of the Company or any Note Guarantor or otherwise, all as though such payment had not been made.

Section 1303. Release of Note Guarantees Notwithstanding the provisions of Section 1302, Note Guarantees will be subject to termination and discharge under the circumstances described in this Section 1303:

(1) Each Parent Guarantor will automatically and unconditionally be released from all obligations under its Parent Guarantee, and its Parent Guarantee will thereupon terminate and be discharged and of no further force or effect, (i) upon any merger or consolidation of such Parent Guarantor with and into the Company or the other Parent Guarantor, (ii) upon legal or covenant defeasance of the Company's obligations under, or satisfaction and discharge of, this Indenture, or (iii) subject to Section 1302(b), upon payment in full of the aggregate principal amount of all Notes then Outstanding and all other Parent Guaranteed Obligations of such Parent Guarantor then due and owing.

(2) Any Subsidiary Guarantor will automatically and unconditionally be released from all obligations under its Subsidiary Guarantee, and such Subsidiary Guarantee shall thereupon terminate and be discharged and of no further force or effect, (i) concurrently with any sale or disposition (by merger or otherwise) of any Subsidiary Guarantor or any interest therein in accordance with the terms of this Indenture (including Section 411 and Section 501) by the Company or a Restricted Subsidiary, following which such Subsidiary Guarantor is no longer a Restricted Subsidiary of the Company, (ii) at any time that such Subsidiary Guarantor is released from all of its obligations under all of its Guarantees of payment by the Company of any Bank Indebtedness of the Company and the Existing Notes, if applicable (other than by reason of payment under such Guarantees of Bank Indebtedness), (iii) upon the merger or consolidation of any Subsidiary Guarantor with and into the Company or another Subsidiary Guarantor that is the surviving

Person in such merger or consolidation, (iv) concurrently with any Subsidiary Guarantor becoming an Unrestricted Subsidiary, (v) upon legal or covenant defeasance of the Company's obligations, or satisfaction and discharge of this Indenture, or (vi) subject to Section 1302(b), upon payment in full of the aggregate principal amount of all Notes then Outstanding and all other Subsidiary Guaranteed Obligations then due and owing. In addition, the Company will have the right, upon 30 days' notice to the Trustee, to cause any Subsidiary Guarantor that has not guaranteed payment by the Company of any Bank Indebtedness of the Company or the Existing Notes, if applicable, to be unconditionally released from all obligations under its Subsidiary Guarantee, and such Subsidiary Guarantee shall thereupon terminate and be discharged and of no further force or effect.

Upon any such occurrence specified in this paragraph, the Trustee shall execute any documents reasonably required in order to evidence such release, discharge and termination in respect of such Subsidiary Guarantee.

Upon any such occurrence specified in this Section 1303, the Trustee shall execute any documents reasonably required in order to evidence such release, discharge and termination in respect of the applicable Note Guarantee.

Section 1304. [Reserved].

Section 1305. Waiver of Subrogation. Each Note Guarantor hereby irrevocably waives any claim or other rights that it may now or hereafter acquire against the Company that arise from the existence, payment, performance or enforcement of the Company's obligations under the Notes and this Indenture or such Note Guarantor's obligations under its Note Guarantee and this Indenture, including any right of subrogation, reimbursement, exoneration, indemnification, and any right to participate in any claim or remedy of any Holder of Notes against the Company, whether or not such claim, remedy or right arises in equity, or under contract, statute or common law, until this Indenture is discharged and all of the Notes are discharged and paid in full. If any amount shall be paid to any Note Guarantor in violation of the preceding sentence and the Notes shall not have been paid in full, such amount shall have been deemed to have been paid to such Note Guarantor for the benefit of, and held in trust for the benefit of, the Holders of the Notes, and shall forthwith be paid to the Trustee for the benefit of such Holders to be credited and applied upon the Notes, whether matured or unmatured, in accordance with the terms of this Indenture.

Section 1306. Notation Not Required. Neither the Company nor any Note Guarantor shall be required to make a notation on the Notes to reflect any Note Guarantee or any such release, termination or discharge thereof.

Section 1307. Successors and Assigns of Note Guarantors. All covenants and agreements in this Indenture by each Note Guarantor shall bind its respective successors and assigns, whether so expressed or not.

Section 1308. Execution and Delivery of Subsidiary Guarantees. The Company shall cause each Restricted Subsidiary that is required to become a Subsidiary Guarantor pursuant to Section 414, and each Subsidiary of the Company that the Company causes to become a

Subsidiary Guarantor pursuant to Section 414, to promptly execute and deliver to the Trustee a Supplemental Indenture substantially in the form set forth in Exhibit B to this Indenture, or otherwise in form and substance reasonably satisfactory to the Trustee, evidencing its Subsidiary Guarantee on substantially the terms set forth in this Article 13. Concurrently therewith, the Company shall deliver to the Trustee an Opinion of Counsel in form and substance reasonably satisfactory to the Trustee to the effect that such Supplemental Indenture has been duly authorized, executed and delivered by such Restricted Subsidiary and that, subject to the applicable bankruptcy, insolvency, fraudulent transfer, fraudulent conveyance, reorganization, moratorium and other laws now or hereafter in effect affecting creditors' rights or remedies generally and the general principles of equity (including standards of materiality, good faith, fair dealing and reasonableness), whether considered in a proceeding at law or at equity, such Supplemental Indenture is a valid and binding agreement of such Restricted Subsidiary, enforceable against such Restricted Subsidiary in accordance with its terms.

Section 1309. Notices. Notice to any Note Guarantor shall be sufficient if addressed to such Note Guarantor care of the Company at the address, place and manner provided in Section 109.

IN WITNESS WHEREOF, the parties hereto have caused this Indenture to be duly executed, all as of the date first written above.

(REVERSE OF NOTE)

This Note is one of the duly authorized issue of 7.875% Senior Notes Due 2018 of the Company (herein called the “Notes”), issued under an Indenture, dated as of September 29, 2010 (herein called the “Indenture,” which term shall have the meanings assigned to it in such instrument), among the Company, Graphic Packaging Holding Company, Graphic Packaging Corporation, and the other Note Guarantors from time to time parties thereto, as Note Guarantors, and U.S. Bank National Association, as Trustee (herein called the “Trustee,” which term includes any successor trustee under the Indenture), and reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, any other obligor upon this Note, the Trustee and the Holders of the Notes and of the terms upon which the Notes are, and are to be, authenticated and delivered. The terms of the Notes include those stated in the Indenture and those made a part of the Indenture by reference to the Trust Indenture Act of 1939, as amended, as in effect from time to time (the “TIA”). The Notes are subject to all such terms, and Holders are referred to the Indenture and the TIA for a statement of such terms. Additional Notes may be issued under the Indenture which will vote as a class with the Notes and otherwise be treated as Notes for purposes of the Indenture.

All terms used in this Note that are defined in the Indenture shall have the meanings assigned to them in the Indenture.

This Note is entitled to the benefits of the certain senior Note Guarantees of the Note Guarantors and may hereafter be entitled to certain other senior Note Guarantees made for the benefit of the Holders. Reference is made to Article Thirteen of the Indenture and to the Note Guarantees for terms relating to such Note Guarantees, including the release, termination and discharge thereof. Neither the Company nor any Note Guarantor shall be required to make any notation on this Note to reflect any Note Guarantee or any such release, termination or discharge.

The Notes will be redeemable, at the Company’s option, in whole or in part, and from time to time on and after October 1, 2014 and prior to maturity at the applicable redemption prices set forth below. Such redemption may be made upon notice mailed by first-class mail to each Holder’s registered address in accordance with the Indenture. The Company may provide in such notice that payment of the Redemption Price and performance of the Company’s obligations with respect to such redemption or purchase may be performed by another Person. Any such redemption and notice may, in the Company’s discretion, be subject to the satisfaction of one or more conditions precedent, including but not limited to the occurrence of a Change of Control. The Notes will be so redeemable at the following Redemption Prices (expressed as a percentage of principal amount), plus accrued and unpaid interest, if any, to the relevant Redemption Date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on the relevant Interest Payment Date), if redeemed during the 12-month period commencing on October 1 of the years set forth below:

Period	Redemption Price
2014	103.938%
2015	101.969%
2016 and thereafter	100.000%

In addition, at any time and from time to time prior to October 1, 2013, the Company at its option may redeem the Notes, in an aggregate principal amount equal to up to 35% of the original aggregate principal amount of the Notes (including the principal amount of any Additional Notes), with funds in an aggregate amount not exceeding the aggregate cash proceeds of one or more Equity Offerings, at a Redemption Price (expressed as a percentage of principal amount thereof) of 107.875% plus accrued and unpaid interest, if any, to the Redemption Date (subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date); *provided, however*, that an aggregate principal amount of the Notes equal to at least 65% of the original aggregate principal amount of the Notes (including the principal amount of any Additional Notes) must remain outstanding after each such redemption. The Company may make such redemption upon notice mailed by first-class mail to each Holder's registered address in accordance with the Indenture (but in no event more than 180 days after the completion of the related Equity Offering). The Company may provide in such notice that payment of the Redemption Price and performance of the Company's obligations with respect to such redemption or purchase may be performed by another Person. Any such notice may be given prior to the completion of the related Equity Offering, and any such redemption or notice may, at the Company's discretion, be subject to the satisfaction of one or more conditions precedent including the completion of the related Equity Offering.

At any time prior to October 1, 2014, such Notes may also be redeemed or purchased (by the Company or any other Person) in whole or in part, at the Company's option, at a price equal to 100% of the principal amount thereof plus the Applicable Premium as of, and accrued but unpaid interest, if any, to, the date of redemption or purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date). Such redemption or purchase may be made upon notice mailed by first-class mail to each Holder's registered address in accordance with the Indenture. The Company may provide in such notice that payment of the Redemption Price and performance of the Company's obligations with respect to such redemption or purchase may be performed by another Person. Any such redemption, purchase or notice may, at the Company's discretion, be subject to the satisfaction of one or more conditions precedent including but not limited to the occurrence of a Change of Control.

The Indenture provides that upon the occurrence of a Change of Control, each Holder will have the right to require that the Company repurchase all or any part of such Holder's Notes at a purchase price in cash equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to the date of such repurchase; *provided, however*, that the Company shall not be obligated to repurchase Notes in the event it has exercised its right to redeem all the Notes as described above.

The Notes will not be entitled to the benefit of a sinking fund.

The Indenture contains provisions for defeasance at any time of the entire indebtedness of this Note or certain restrictive covenants and certain Events of Default with respect to this Note, in each case upon compliance with certain conditions set forth in the Indenture.

If an Event of Default with respect to the Notes shall occur and be continuing, the principal of the Notes may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Notes to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of at least a majority in principal amount of the Notes at the time Outstanding to be affected. The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Notes at the time Outstanding, on behalf of the Holders of all Notes, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

As provided in and subject to the provisions of the Indenture, the Holder of this Note shall not have the right to institute any proceeding with respect to the Indenture or for the appointment of a receiver or trustee or for any other remedy thereunder, unless such Holder shall have previously given the Trustee written notice of a continuing Event of Default with respect to the Notes, the Holders of not less than 25% in principal amount of the Notes at the time Outstanding shall have made written request to the Trustee to pursue such remedy in respect of such Event of Default as Trustee and offered the Trustee reasonable security or indemnity, and the Trustee shall not have received from the Holders of a majority in principal amount of Notes at the time Outstanding a direction inconsistent with such request, and shall have failed to institute any such proceeding, for 60 days after receipt of such notice, request and offer of security or indemnity. The foregoing shall not apply to any suit instituted by the Holder of this Note for the enforcement of any payment of principal hereof or any premium or interest hereon on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and any premium and interest on this Note at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note is registrable in the Note Register, upon surrender of this Note for registration of transfer at the office or agency of the Company in a Place of Payment, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Note Registrar duly executed by, the Holder hereof or such Holder's attorney duly authorized in writing, and thereupon one or more new Notes of like tenor, of authorized denominations and

for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Notes are issuable only in registered form without coupons in minimum denominations of \$2,000.00 and any integral multiple of \$1,000.00. As provided in the Indenture and subject to certain limitations therein set forth, the Notes are exchangeable for a like aggregate principal amount of Notes of like tenor of a different authorized denomination, as requested by the Holder surrendering the same.

No service charge shall be made for any such registration, transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Note for registration or transfer, the Company, any other obligor in respect of this Note, the Trustee and any agent of the Company, such other obligor or the Trustee may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note be overdue, and none of the Company, any other obligor upon this Note, the Trustee nor any such agent shall be affected by notice to the contrary.

No director, officer, employee, incorporator or stockholder, as such, of the Company, any Note Guarantor or any Subsidiary of any thereof shall have any liability for any obligation of the Company, or any Note Guarantor under the Indenture, the Notes or any Note Guarantee, or for any claim based on, in respect of, or by reason of, any such obligation or its creation. Each Holder, by accepting this Note, hereby waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

THE INDENTURE AND THE NOTES SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK. THE TRUSTEE, THE COMPANY, ANY OTHER OBLIGOR IN RESPECT OF THE NOTES AND (BY THEIR ACCEPTANCE OF THE NOTES) THE HOLDERS, AGREE TO SUBMIT TO THE JURISDICTION OF ANY UNITED STATES FEDERAL OR STATE COURT LOCATED IN THE BOROUGH OF MANHATTAN, IN THE CITY OF NEW YORK IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THE INDENTURE, THE NOTES OR THE NOTE GUARANTEES.

Ladies and Gentlemen:

We have acted as counsel to Graphic Packaging International, Inc., a Delaware corporation (the "Issuer"), and the guarantors listed on Annex A (the "Guarantors," together with the Issuer, the "Registrants") in connection with the preparation and filing with the Securities and Exchange Commission (the "Commission") pursuant to Rule 424(b) of the Securities Act of 1933, as amended (the "Securities Act") of a prospectus supplement, dated September 15, 2010 (the "Prospectus Supplement") to the prospectus, dated July 1, 2010 (the "Base Prospectus" and together with the Prospectus Supplement, the "Prospectus"), included as part of the above-referenced Registration Statement (the "Registration Statement") relating to the offering and sale of (i) \$250,000,000 aggregate principal amount of the Issuer's 7.875% Senior Notes due 2018 (the "Notes") and (ii) the related guarantees of the Notes by the Guarantors (together with the Notes, the "Securities") to be issued under an Indenture dated as of September 29, 2010 (the "Indenture"), among the Issuer, the Guarantors and U.S. Bank National Association, as Trustee (the "Trustee").

This opinion is being furnished in accordance with the requirements of Item 16 of Form S-3 and Item 601(b)(5) of Regulation S-K under the Securities Act.

In connection with this opinion, we have examined (i) the Certificates of Incorporation, Certificates of Formation or other charter documents of each of the Registrants, (ii) the bylaws, limited liability company agreements, or other organizational documents of each of the Registrants, (iii) records of proceedings of the Members or Board of Directors of each of the Registrants, or committees thereof, (iv) the proposed form of the Securities, (iv) the Form T-1 Statement of Eligibility of the Trustee filed as an exhibit to the Registration Statement, (v) the Indenture, (vi) the Underwriting Agreement, dated September 15, 2010 (the "Underwriting Agreement"), among the Issuer, the Guarantors and Banc of America Securities LLC, as representative of the Underwriters listed on a schedule thereto, (vii) the form of global certificate evidencing the Notes, (viii) the Registration Statement; (ix) the Prospectus; and (x) the documents filed by the Company pursuant to the Securities Exchange Act of 1934, as amended,

Atlanta • Charlotte • Dallas • Los Angeles • New York • Research Triangle • Silicon Valley • Ventura County • Washington, D.C.

and incorporated by reference to the Prospectus as of the date hereof. We also have made such further legal and factual examinations and investigations as we deemed necessary for purposes of expressing the opinion set forth herein.

As to certain factual matters relevant to this opinion letter, we have relied conclusively upon the representations and warranties made in the Underwriting Agreement by the parties thereto and originals or copies, certified or otherwise identified to our satisfaction, of such other records, agreements, documents and instruments, including certificates or comparable documents of officers of the Registrants and of public officials, as we have deemed appropriate as a basis for the opinion hereinafter set forth.

In rendering our opinion set forth below, we have assumed, without any independent verification, (i) the legal capacity of all natural persons, (ii) the genuineness of all signatures, (iii) the authenticity of all documents submitted to us as originals, (iv) the conformity to the original documents of all documents submitted to us as conformed, facsimile, photostatic or electronic copies, (v) that the form of the Securities will conform to that included in the Indenture, (vi) the due authorization, execution and delivery of the Indenture by the Trustee under the laws of its jurisdiction of incorporation or organization, (vii) that all parties (other than the Registrants) to the documents examined by us have full power and authority under the laws of their respective jurisdictions of incorporation or organization to execute, deliver and perform their obligations under such documents and under the other documents required or permitted to be delivered and performed thereunder, and (viii) that the Indenture has been duly qualified under the Trust Indenture Act of 1939.

Our opinion set forth below is limited to the laws of the State of New York, the laws of the State of Delaware and the federal laws of the United States of America to the extent referred to specifically herein, and we do not express any opinion herein concerning any other laws.

The only opinion rendered by us consists of those matters set forth in the eighth paragraph hereof, and no opinion may be implied or inferred beyond the opinion expressly stated. Our opinion expressed herein is as of the date hereof, and we undertake no obligation to advise you of any changes in applicable law or any other matters that may come to our attention after the date hereof that may affect our opinion expressed herein.

Based upon the foregoing, it is our opinion that, assuming due authorization, execution and delivery of the Indenture by the Trustee, the Indenture is a valid and binding agreement of the Company, except to the extent that (a) enforceability may be limited by applicable bankruptcy, insolvency, liquidation, reorganization, moratorium and other laws relating to or affecting the rights and remedies of creditors generally, and (b) the remedy of specific performance and other forms of equitable relief may be subject to certain defenses and to the discretion of the court before which a proceeding may be brought; and upon due execution of the Notes by the Company, due authentication thereof by the Trustee in accordance with the Indenture and issuance and delivery thereof against payment therefor as provided in the Underwriting Agreement, the Notes will be validly issued and will constitute legally binding obligations of the Company entitled to the benefits of the Indenture, except to the extent that

(a) enforceability may be limited by applicable bankruptcy, insolvency, liquidation, reorganization, moratorium and other laws relating to or affecting the rights and remedies of creditors generally, and (b) the remedy of specific performance and other forms of equitable relief may be subject to certain defenses and to the discretion of the court before which proceedings may be brought (regardless of whether enforceability is considered in a proceeding in equity or at law).

We consent to the filing of this opinion letter as an exhibit to the Registration Statement and to the use of our name under the heading "Legal Matters" in the prospectus constituting a part thereof. In giving such consent, we do not thereby admit that we are within the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Commission thereunder.
